Richards,2013-04-30 3 sexy stories of gender transformation A man and wife find themselves changes into opposite genders and in a sexy threesome to rekindle their passion A man is changed into a woman and finds strangers in his home with orders from his wife to teach him a lesson and a man drinks his roommates mysterious beverage and finds himself a woman and the focus of the roommates s attention These stories are intended for mature audiences only and feature scenes of gender transformation sex threesomes oral sex reluctant sex and is 15 000 words in length Contains the previously published stories of Gender Bender Threesome Gender Swap Tag Team and Gender Bender Mixup Excerpt My whole body spasmed as if every muscle from toe to neck had been hit by an electric current I thrashed in my chair bucking wildly as a warming sensation hammered up from my stomach and out through my arms and legs My hands clutched at the arms of the chair my feet slammed down hard on the floor and I let out a startled gasp as my whole body began to shake and vibrate I heard my wife give a plaintive moan from beside me and I manage to crane my neck with monumental effort and watch as Tricia bucked and gyrated in her own chair And she began to change My eyes flew wide in shock and disbelief as my wife s body shifted before my gaze Her hair shortened changing color as it swept upward Her arms thickened the shirt she wore suddenly growing tight around heavy muscle that strained at the fabric Her face shifted as her jaw squared I swore I could hear bone popping and flesh slithering as her chest flattened I opened my mouth to swear to shout to do anything but all that came out was a low moan as my own body began to shift and swirl about me I watched as my fingers and wrists narrowed growing delicate and more defined My chest swelled pressing against the t shirt I d worn to the office as breasts grew within Hair blossomed down along my shoulders fine and luxurious bobbing in time with my body s thrashing We both stopped writhing at almost the exact same moment dropping back into our seats with heavy panting breaths at the same time My hands trembled as I held them up before my face They were a woman s hands Holy crap Not entirely sure I wanted to I turned to face my wife A handsome man stared back at me with wide frantic eyes wearing my wife s clothes There we go Christina said cheerfully sliding from her desk Now we can start What did you do I said My voice was sweet and melodious I cut off blinking in confusion Oh wow That was crazy The best way to break through your blocks is to see things from the other side the doctor said Experience sex as your polar opposite With myself as your guide of course **Swapped by the Dog** Jezabel Foxx, Janice was just trying to enjoy a nice salad after a hard day at work However finding out that she ate half a gender swap pill is just the beginning of her adventure Who knows what effects a half a pill will have No actual animals were used in this story [Passion, Humiliation, Revenge](#) Lapidus,1955-01-01 This book reveals the phenomenon in Russian prose in which a male protagonist finds himself perpetuating a cycle of passion humiliation and revenge within his relationships

with women By examining the mental and emotional state of the male protagonist who finds himself in a sexual situation Rina Lapidus explores how his passion for a woman leads the man into an encounter that causes him humiliation and ends up eliciting a powerful desire on his part to punish the woman who initially arouses his erotic feeling The male protagonist directs his fury at the woman seeking vengeance because of the shame he has suffered Lapidus shows how the man sees himself as a highly spiritual being and finds it difficult to come to terms with his sexual nature The author argues that this denial of desire leads the man to take out his frustration with himself on the woman projecting all of his faults and guilt onto her When the woman brings the male protagonist low his thirst for revenge becomes a powerful driving force in his life that eventually brings about his downfall This book will be of interest to those studying in the areas of Russian literature psychology and gender studies
