Sexual politics in revolutionary England Sam Fullerton, 2024-06-18 Sexual politics in revolutionary England recounts a dramatic transformation in English sexual polemic that unfolded during the kingdom s mid seventeenth century civil wars In early Stuart England explicit sexual language was largely confined to manuscript and oral forms by the combined regulatory pressures of ecclesiastical press licensing and powerful cultural notions of civility and decorum During the early 1640s however graphic sex talk exploded into polemical print for the first time in English history Over the next two decades sexual politics evolved into a vital component of public discourse as contemporaries utilized sexual satire to reframe the English Revolution as a battle between licentious Stuart tyrants and their lecherous puritan enemies By the time that Charles II regained the throne in 1660 this book argues sex was already a routine element of English political culture

Marginality in the Urban Center Peary Brug, Zachary S. Ritter, Kenneth R. Roth, 2018-12-22 This book examines the increasing marginalization of and response by people living in urban areas throughout the Western Hemisphere and both the local and global implications of continued colonial racial hierarchies and the often dire consequences they have for people perceived as different However in the aftermath of recent U S elections whiteness also seems to embody strictures on religion ethnicity country of origin and almost any other personal characteristic deemed suspect at the moment For that reason gender race and even class collectively may not be sufficient units of analysis to study the marginalizing mechanisms of the urban center The authors interrogate the social and institutional structures that

facilitate the disenfranchisement or downward trajectory of groups and their potential or subsequent lack of access to mainstream rewards The book also seeks to highlight examples where marginalized groups have found ways to assert their equality No recent texts have attempted to connect the mechanisms of marginality across geographical and political boundaries within the Western Hemisphere The Soft City Terry Williams,2022-04-13 There is no rawer human experience than sex and in a city as diverse as New York sexual experiences come in many forms In the pre Giuliani days temptation flooded Times Square on theater marquees and neon signs Behind unmarked doors downtown more adventurous experiences awaited for those in the know In The Soft City the ethnographer Terry Williams with the help of accomplices and informants ventures deep into the underground world of sex in New York The book explores different aspects of the perverse space of the city porn theaters sex shops peep shows restroom cruising sadomasochism clubs swingers events and many more Featuring field notes taken between 1975 and the present The Soft City documents the ways that New Yorkers on the social periphery have thought about and pursued sex whether for recreation or to make a living It also presents an unconventional account of New York City s many transformations showing how the soft city its people and their unique character evolved in response to official and social pressures Featuring Williams s unmistakable portraits of the demimonde as well as the accounts of other ethnographers challenging themselves to dive into the city s hidden crannies The Soft City is as irreproducible as it is provocative **Focus on the Fabulous** Matt Kailey,2007 Collection of fiction poetry and creative non fiction from Colorado s top writers in the GLBT community **The Advocate** ,2001-08-14 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *Ars Erotica* Richard Shusterman,2021-03-25 Drawing on theories of lovemaking from ancient Asian and Western cultures this book provides a new aesthetics of erotic love **Women's Sexual Function and Dysfunction** Irwin Goldstein,Cindy M.
