

The book cover features a dark, moody illustration. In the lower-left foreground, a small silhouette of a jazz musician in a tuxedo and top hat stands on a small, dark, tiered pedestal, playing a trumpet. The background is a deep blue, swirling sea. A massive, pale, tentacled Cthulhu-like creature dominates the center and right side of the cover, its head and upper body visible as it swims. The creature's tentacles are thick and segmented. The overall style is reminiscent of pulp magazine illustrations from the mid-20th century.

Encyclopedia of Weird War Stories Paul Green, 2017-06-09 Fictional war narratives often employ haunted battlefields super soldiers time travel the undead and other imaginative elements of science fiction and fantasy This encyclopedia catalogs appearances of the strange and the supernatural found in the war stories of film television novels short stories pulp fiction comic books and video and role playing games Categories explore themes of mythology science fiction alternative history superheroes and Weird War **Disciples of Cthulhu** Brian Lumley, A. A. Attanasio, Ramsey Campbell, Fritz Leiber, 1996 Robert E. Howard Willard M. Oliver, 2025-04-15 Robert E Howard 1906-1936 is most widely known today as the creator of Conan the Cimmerian more popularly referred to as Conan the Barbarian However he also wrote across a wide array of genres for the pulp magazines of the 1920s and 1930s including westerns sports stories boxing adventures supernatural horror and even humor Howard also created many other popular characters such as King Kull Bran Mak Morn Solomon Kane Steve Costigan and Breckenridge Elkins More importantly he created two specific subgenres of fiction sword and sorcery sometimes referred to as heroic fantasy and weird westerns Born and raised in Texas Robert E Howard began his writing career after his family settled in the small Central Texas town of Cross Plains His first professional sale came from the pulp magazine *Weird Tales* in 1925 and over the next eleven years he wrote hundreds of stories and an equal number of poems With this prolific body of stories he was among the most lauded pulp authors of that era It has been said and rightly so that the secret to his success was that there was a bit of Howard in every one of his characters and because Howard was a Texan even Conan shows elements of the Texan in his persona Robert E Howard *The Life and Times of a Texas Author* details

the many trials and tribulations he faced as he became and remained a full time writer while dealing with an aging father and caring for a mother who was dying of tuberculosis The book both chronicles his personal life and demonstrates how the one driving force in Robert E Howard s life forming the foundation for all of his characters and stories was his personal pursuit of freedom He lived for his freedom he wrote as a means to attain that freedom and while it may sound strange he also died tragically by his own hand in that very same pursuit at the young age of 30 Midnight Rambles David J.

Goodwin,2023-11-07 A micro biography of horror fiction s most influential author and his love hate relationship with New York City By the end of his life and near financial ruin pulp horror writer Howard Phillips Lovecraft resigned himself to the likelihood that his writing would be forgotten Today Lovecraft stands alongside J R R Tolkien as the most influential genre writer of the twentieth century His reputation as an unreformed racist and bigot however leaves readers to grapple with his legacy Midnight Rambles explores Lovecraft s time in New York City a crucial yet often overlooked chapter in his life that shaped his literary career and the inextricable racism in his work Initially New York stood as a place of liberation for Lovecraft During the brief period between 1924 and 1926 when he lived there Lovecraft joined a creative community and experimented with bohemian living in the publishing and cultural capital of the United States He also married fellow writer Sonia H Greene a Ukrainian Jewish migr in the fashion industry However cascading personal setbacks and his own professional ineptitude soured him on New York As Lovecraft became more frustrated his xenophobia and racism became more pronounced New York s large immigrant population and minority communities disgusted him and this mindset soon became evident in his writing Many of his stories from this era are infused with racial and ethnic stereotypes and nativist themes most notably his overtly racist short story *The Horror at Red Hook* set in Red Hook Brooklyn His personal letters reveal an even darker bigotry Author David J Goodwin presents a chronological micro biography of Lovecraft s New York years emphasizing Lovecraft s exploration of the city environment the greater metropolitan region and other locales and how they molded him as a writer and as an individual Drawing from primary sources letters memoirs and published personal reflections and secondary sources biographies and scholarship Midnight Rambles develops a portrait of a talented and troubled author and offers insights into his unsettling beliefs on race ethnicity and immigration **The Cambridge**

Companion to Race and American Literature John Ernest,2024-06-27 A comprehensive study of how American racial history and culture have shaped and have been shaped by American literature *Legal Stories* Gregory Steirer,2024-07 Tracing the emergence of what the media industries today call transmedia story worlds and narrative franchises *Legal Stories* provides a dual history of copyright law and narrative based media development between the Copyright Act of 1909 and the Copyright Act of 1976 Drawing on archival material including legal case files and employing the principles of actor network theory Gregory Steirer demonstrates how the meaning and form of narrative based property in the twentieth century was integral to the letter and practice of intellectual property law during this time Steirer s expansive view of

intellectual property law encompasses not only statutes and judicial opinions but also the everyday practices and productions of authors editors fans and other legal laypersons The result is a history of the law as improvisatory and accident prone taking place as often outside the courtroom as inside and shaped as much by laypersons as lawyers Through the examination of influential legal disputes involving early properties such as Dashiell Hammett s Sam Spade H P Lovecraft s Cthulhu Mythos and Robert E Howard s Conan the Barbarian Steirer provides a ground s eye view of how copyright law has operated and evolved in practice

Cthulhu's Back in Town Kurt E. Armbruster,2022-02-16 In this addition to the Cthulhu mythos inspired by fabled horror fantasy author H P Lovecraft a young musician takes a gig in a quaint seaport and finds romance and a widening web of terrifying secrets

The Uncertain World of Normalcy: the 1920's Paul Allen Carter,1971 American infatuation with the 1920s continues As the time interval since that decade gets longer interest grows greater Were the Twenties a side show a quaint but irrelevant detour off the main road of history highlighted by The Lost Generation Prohibition The Golden Age of Sport and The Jazz Age Or were they on the contrary the first clear evidence of what we mean by modern In this new study Paul A Carter brings together a collection of provocative opinion and material to provide fresh insight into the real nature of this vivid decade in American history While many of the names in the book Dewey DeVoto Lewis and Mumford are familiar the selections chosen to represent their views and ideas are not taken from the same old stockpile Professor Carter focuses on the issues that Americans in the Twenties had to deal with in their everyday lives He avoids the usual generalizations that emphasize the bizarre and singular The result for today s reader is a balanced account which is perhaps a step closer to life in the Twenties as it really was and not as we imagine it might have been Back cover
