

# A GRADUATION PRAYER FOR THE CLASS OF 2020

## *We Bless You as You Go*

Gracious God,  
look with love on all our sixth-class girls and boys.

It has been a very different end to your time with us in  
our school.

You have stayed home, worked hard, been creative,  
learned new skills and remained strong.

Together but apart you have continued to make us proud.

Today, as we celebrate all that you have been and all that you  
will become, we ask that God's blessing will wrap each  
one of you in a cloak of love and protection.

We give thanks for the last eight years.

We will always remember you, the class of 2020.

We will hold you in our hearts and in our prayers as you  
take the next steps on your lifelong journey of learning.

We know that you will make the very best of your  
time in your new schools.

We pray that you will always know that you are loved by God,  
who wants you to be the very best that you can be  
so that you can set the world on fire.

May God bless you and keep you safe until we meet again.  
Amen.

more distance between church and state whereas the opposite is the case in the United States Neutrality also has other meanings in both systems making straightforward comparison more difficult than it might seem Although the underlying trajectory of neutrality is different in both countries the discussion of neutrality breaks down into largely parallel themes By examining those themes in a comparative perspective the meaning of state neutrality in religion state relations can be delineated *The Commencement Manual* ,1957 **Congressional Record** United States.
