These challenges require a variety of approaches to management, but I think you can see the general idea: get better quality, or just plain improvement, the cheapest. I always remember ^{the old} saying in the stage business: "Good-looking people are being sought, people who are intelligent and whose physical appearance suggests they are honest and efficient." I think you can see the general idea: the ^{best} people are the ones who are the most efficient.

In this part I didn't pay much attention to "body language" because I had ^{never} heard of it before. I was very interested in the way it was taught because we were taught it differently. In every meeting I saw ^{body} language taught - especially when I had just a short and simple lesson. I was very grateful to have a lesson with a good teacher who was very good at teaching. I was very happy to see that it was not a waste of time. I was very happy to see that it was not a waste of time. I was very happy to see that it was not a waste of time.
