Life And Times Of Bobby Jones:

Life and Times of Bobby Jones Sidney L. Matthew, 1995 Few gentleman have ever enjoyed a sporting and personal life as that of Robert Tyre Bobby Jones Jr By the time Bob Jones was 28 years young he had already travelled over 120 000 miles and found himself on the pinnacle of all golf achievements the Grand Slam Whereas this timeless accomplishment would for the ordinary man constitute the laurel seat upon which he would rest for the remainder of his life for Bob it merely serves as the springboard which launched a myriad of other extraordinary achievements and experiences Jones himself remarked that he could take out of his life all of his experiences except those at St Andrews and still have a rich and full life This book provides a glimpse not only into those St Andrews events but also the exploits which brightly shined forth in his life as if from a brilliantly cut diamond The opportunity to see the portrait of a gentleman whose character was observed by his contemporaries to be comprised in equal proportions of courtesy consideration humanity and humor has been preserved and chronicled by the most distinguished sportswriters of this century From dust jacket **Bobby** Sidney L. Matthew, 2005 Bobby Jones will stand forever unique in the world of golf and perhaps even unique in the world of sport He remained an amateur throughout his amazing career and found himself on the pinnacle of all golf achievements The Grand Slam a feat not duplicated by any other golfer to this day This accomplishment might have constituted a seat to rest on for the ordinary man but for Bobby it merely served as a springboard to launch a myriad of other extraordinary achievements and experiences Throughout his life Jones remained the consummate gentleman observed by his contemporaries to be comprised of equal proportions of courtesy consideration humanity and humor *The Grand Slam* Mark Frost, 2004-09-01 This Los Angeles Times bestseller takes a riveting look at the life and times of depression era golf legend Bobby Jones In the wake of the stock market crash and the dawn of the Great Depression a ray of light emerged from the world of sports in the summer of 1930 Bobby Jones a 28 year old amateur golfer mounted a campaign against the record books In four months he conquered the British Amateur Championship the British Open the United States Open and finally the United States Amateur Championship an achievement so extraordinary that writers dubbed it the Grand Slam No one has ever repeated it Mark Frost uses a wealth of original research to provide an unprecedented intimate portrait of golf great Bobby Jones In the tradition of *The Greatest Game Ever Played* *The Grand Slam* blends social history with sports biography captivating the imagination and engaging the reader *The Grand Slam* is a biography not to be missed The Immortal Bobby Ron Rapoport, 2010-12-13 Acclaim for *The Immortal Bobby* Just when you think there is nothing new to be said or written on the subject of Bob Jones Ron Rapoport comes along and proves that theory completely untrue *The Immortal Bobby* is wonderfully reported and superbly written John Feinstein author of *A Good Walk Spoiled* and *Caddy for Life* The story of Bobby Jones s singular life is one of the most fascinating in sports history Ron Rapoport s thoughtful graceful style is well suited to telling that story Bob Costas broadcaster NBC Sports and HBO Sports Beyond the grainy newsreels and the confetti falling on Broadway and

Peachtree Street there was an essential Bobby Jones and Ron Rapoport reveals him splendidly in a portrait as graceful as the man There s more here than Grand Slam 1930 the jangling nerves and self doubt the towering modesty in response to fame the complexity of an Atlanta patrician a life richly lived Gary M Pomerantz author of *Where Peachtree Meets Sweet Auburn* The skills of writing and reporting that fans of Ron Rapoport like me have come to expect from him over the years candor thoughtfulness insight perspective humor are once again demonstrated and illuminated in *The Immortal Bobby* It is an important book about an important sports figure that typically for Rapoport goes beyond the confines of sports and fits firmly in the context of our culture Ira Berkow sports columnist and author of *Red A Biography of Red Smith* Here is Bobby Jones as you ve never seen him almost fearful in the fires of competition and Ron Rapoport shows us how that man became a legend Dave Kindred coauthor with Tom Callahan of *Around the World in 18 Holes* **Bobby Jones Grand Slam Tribute-A Celebration of 90 Years** Sidney Matthew,2020-09-27 The story of Bobby Jones entire life punctuated by the Grand Slam is the 90th anniversary of the feat won back in 1930 Golf Historian author Sidney Matthew has published numerous books and magazine articles detailing Bobby Jones legendary history and produced the internationally acclaimed documentary *Life and Times of Bobby Jones* narrated by Sir Sean Connery and broadcast nationally on CBS NBC and Golf Channel **The Best Of Bobby Jones On Golf** Sidney Matthew,2004-10 Considered by such golf legends as Jack Nicklaus Arnold Palmer and Ben Hogan to be one of the best golf instructor of all time Bobby Jones stands as the only golfer to win all four major championships the U S Amateur British Amateur U S Open and British Open in a single year In this collection of newspaper columns written by Jones during the 1920s he shares his crystal clear insight into the game he loved and played so well Many of the columns are instructional while others are personal reminiscences of Bobby s own on course escapades **The Slam** Curt Sampson,2005-05-20 A portrait of the legendary golfer looks at his Grand Slam victories in terms of his rise to success in the sport of golf and the devastating impact of fame and adulation for a intensely private man **Trials and Triumphs of Golf's Greatest Champions** Lyle Slovic,2016-05-19 Golf can be a vexing and cruel game and teaches us much about ourselves It has been described as a contest calling for courage skill strategy and self control It is a test of temper a trial of honor a revealer of character In the end as with most of life success hinges on the character and spirit we possess But how would our tempers be tested if we suffered a career threatening injury from a near fatal car accident as Ben Hogan did in the prime of his life How would our honor be preserved if we faced constant derision and racism both on and off the golf course as Charlie Sifford encountered his entire career How would our character be revealed if cancer robbed us of the ability to play the game we loved as it did to Babe Didrikson Zaharias Would we give in to self pity or persevere and keep going In *Trials and Triumphs of Golf s Greatest Champions A Legacy of Hope* Lyle Slovic has pulled together the inspirational stories of six golfers and a caddy whose strength of character sustained them against the physical and emotional trials that threatened both their careers and lives In an era when many athletes have lost their luster as role models the people in this

book Harry Vardon Bobby Jones Ben Hogan Babe Didrikson Zaharias Charlie Sifford Ken Venturi and Bruce Edwards offer lessons in perseverance dignity humility and faith Slovic tells each of their stories with rich detail including the childhoods that shaped their characters their rise in the world of professional golf the crises they faced in their lives their struggles to keep doing what they loved and their refusal to give up They had their flaws to be sure But when faced with a true test of will all showed a strength that inspired those around them The first book to gather the stories of these golfers into a single volume Trials and Triumphs of Golf's Greatest Champions offers a unique blend of characters who shared the same love for a game that gave them the courage and fortitude they needed to face whatever life threw their way This book will not only interest golfers and fans of the game it will also inspire those who have suffered their own personal setbacks and show them they are not alone in their trials

The Open Question Peter May, 2021-05-12 Golfing legend Ben

Hogan went to his grave believing he had won a record five US Open titles The USGA says otherwise and the controversy has endured for over 75 years In 1942 the United States Golf Association USGA cancelled its four golf tournaments for the duration of World War II But then it did something different in only that year it sponsored the Hale America National Open on the same weekend as the cancelled US Open The great Ben Hogan won that tournament and went to his grave believing he had therefore won a record five US Open titles In The Open Question Peter May turns his attention to this controversial colorful Hale America National Open of 1942 While providing an in depth look at the tournament itself May champions Hogan s claim to five US Open titles and debunks some questionable assertions that the tournament was not worthy of a US Open Set against the backdrop of World War II May also tells the stories of other professional golfers in the tournament and the impact of the war on all their lives The USGA has never recognized the Hale America Tournament as an official US Open and remains firm in its stance It was a decision that bothered Ben Hogan for the rest of his life The Open Question shows how dominant Ben Hogan was against some of the biggest names in golf and reveals why he deserves to be recognized as a five time US Open winner
