Esteem Owners Manual:

Owner's Manual (Homo Sapiens) Frank Losik, 2015-09-08 Unfortunately we human beings do not come with a ready made Owners Manual to guide us through our individual life journeys So we are left with the task of finding or creating one of our own This book is the result of the authors own personal search for just such a set of guidelines He offers it to you the reader as a possible starting point for your own personal search Owners Manual Homo Sapiens is a step by step guide designed to help the serious traveler on the journey of life to identify his or her life goals to create a plan for achieving them and to begin putting those plans into effect It is written in plain every day language and is broken down into bite sized easy to digest chapters The book is divided into a number of segments It begins with The Basics which suggests an overall life goal of personal happiness and provides a review of the underlying principles of human development Next comes three segments that help the reader to begin to find the answers to three important questions Who am I which uses a brief quiz game to identify the readers personality type What do I want which uses a short fill in the blanks worksheet to clarify values and How can I get it which provides a detailed blueprint to aid personal development

The Adolescent Owner's Manual William H. Glover, 2007-07 How do you fix your troubled adolescent? Based on his work with adolescents and their parents, he became convinced that the solution for the majority of troubled kids
