

GENDER SENSITIVE TEACHING

A black and white line drawing of a classroom scene. In the foreground, a student is lying on their back on a desk, looking up. To their left, another student is sitting and holding a green book high in the air. In the center, a student is sitting and holding a yellow book with a drawing on it. To the right, another student is sitting and holding a red book. In the background, more students are visible, some holding books. The overall scene depicts a lively classroom environment.

Gender Sensitive Pedagogy Teachers Manual Cbse:

Higher Education and Professional Ethics Satya Sundar Sethy, 2018-03-28 This book discusses the significance, relevance and usefulness of professional ethics in the context of higher education. It highlights the pivotal role of professional ethics in offering teachers a better understanding of their responsibilities, duties, rights and institutional obligations as they work to provide quality education. The volume investigates the connection between the adoption of professional ethics by individual faculty members in higher education and the development of work cultures in higher educational institutions. It explores the requisite modifications of the Teachers Code of Ethics in relation to the usage of Information and Communication Technologies (ICTs) in teaching learning platforms. While examining the validity, reliability and application of professional ethics in the higher education sector, the book also illustrates the application of codes of ethics to resolve conflicting interests and commitments. This book will be useful to scholars and researchers in higher education, the philosophy of education, applied ethics, public policy and the social sciences. *CTET Paper 1 Study Guide Book (Class I-V) | Central Teacher Eligibility Test | Theory Notes & Practice (MCQs) for Complete Preparation*, *Parliamentary Debates* India. Everyone is equal in the eyes of God, but why can't human beings think like that? Gender inequality is the main hurdle in the holistic development of a child. Every person should have an equal right to live their life with their own terms, not with the orthodox norms which are forcefully imbibed in their thoughts to think and behave in a decided way. For making the society gender sensitive, a school can play a major role in this. This book, *The Helping Hand Gender Sensitivity*, will help the school teachers and children to create the gender sensitive environment. Children can learn effectively and independently without any discrimination. This book will help the society to break the gender stereotypes and create the gender sensitive environment. This is just the beginning; many more editions will be published in the near future. *A Guide to Teaching Introductory Women's and Gender Studies* Holly Hassel, Christie Launius, Susan Rensing, 2021-05-10 This book provides a practical, evidence-based guide to teaching introductory Women's and Gender Studies courses.
