■ **These subcommittees** will be asked to carry out joint projects with relevant government departments, business, education and the voluntary sector. The assignment includes: *Public Service & Partnership* (which will provide the structure for national development); *A New Model of Governance* (which will be a central focus for the programme); *Political and Social Change* (which will be a central focus for the programme); *Political and Social Change* (which will be a central focus for the programme); *Political and Social Change* (which will be a central focus for the programme).

• **Leaf structure:** I turned off the leafy part and looking through the specimen. Observed on the leaf underside and the back of it, anything looked like a hairy or leaf-like structure, especially near the veins. I observed something like a hairy structure, but possibly it was just the leafy part of the leaf. I observed the hairy structure and the hairy structure, but possibly it was just the leafy part of the leaf. I observed the hairy structure and the hairy structure, but possibly it was just the leafy part of the leaf.

Manufacturing operations and its growth influenced government activity and some other firms' activities are well explained. The results are also consistent with the hypothesis stating that economic growth
