scientific calculator

For engineers, surveyors, college students, scientists and medical professionals. Accuracy, functionality, dependability. Scientific projects require these vital attributes for success. The hp 33s scientific calculator delivers them—and more—with features that include a 31K user memory, your choice of RPN and algebraic data-entry modes, a powerful two-line display, and the time-saving HP Solve application. When guessing isn't an option, choose the hp 33s scientific calculator for solutions to your science, math, surveying and engineering questions.

features:

- 31K user memory
- RPN and algebraic data-entry modes
- programmable scientific functions
- edit and delete capability
- HP Solve application

increased user memory

The 31K user memory allows for greater programming capability with the simplicity of a high-level programming language.

programmable scientific functions

The hp 33s scientific calculator offers an impressive variety of programmable functions that include integral calculations, one- and two-variable statistics, base-N functions, fraction mode and 40 physical constants. Multiple memory management, quadratic and linear solve, metric conversions and a screen contrast feature add to the value of this versatile productivity tool. - Provides permutation and combinations, factorial, average, random, rounding and fraction-to-decimal conversion capabilities.

HP Solve application

Write and solve equations for any variable without rewriting your original equation.
