videos Key Features 243 captioned videos and video summaries at the end of every chapter Contributions from 21 leading experts in audiology speech language pathology Listening and Spoken Language medicine education research and psychology Chapters include case presentations recommended resources for further learning and study questions with answer keys

A Parents' Guide to Special Education for Children with Visual Impairments Susan LaVenture, 2007 This handbook for parents family members and caregivers of children with visual impairments explains special education services that these children are likely to need and to which they are entitled and how to ensure that they receive them Edited and written by experienced parents and professionals this helpful and easy to use resource addresses the effect of visual impairment on a child's ability to learn and the services and educational programming that are essential for them to get the best education possible Chapters address early intervention assessment different types of services IEPs accommodations and adaptations different types of placements children with other disabilities in addition to visual impairment and negotiation and advocacy

The No-Nonsense Guide to Mental Health in Schools John R. Burns, 2024-06-03 Responding to the rise in challenges to the mental health of young people this book provides schoolteachers with the essential skills required to recognise emotional distress in their students and more importantly empowers them to make a genuine difference Teachers have unintentionally become the first responders for distressed youth in their schools but they cannot be expected to carry out mental health interventions This book provides teachers with essential mental health literacy and knowledge of mental health first aid so that they know how to act when their students need help The chapters provide concise and jargon free outlines of the main mental disorders that teachers can expect to encounter in their classrooms and offer practical guidance on how to speak to these students and help them towards the most suitable support in the community Drawing on the best available research and offering illustrative case studies to support core skills this book gives teachers the confidence and competence to take action A crucial resource for all school staff *The No Nonsense Guide to Mental Health in Schools* supports teachers to feel confident in making a difference in the wellbeing of their students

The Special Educator's Guide to Behavior Management Paul Mooney, Joseph B. Ryan, 2024-07-03 This accessible practitioner focused textbook details a comprehensive classroom behavior management framework that is easy to understand and implement within a K 12 classroom Influenced by decades of classroom teaching and special education teacher candidate preparation experiences the book features effective evidence based strategies designed to both prevent problem behaviors from occurring in classrooms and address challenging behaviors that presently exist or may arise Each of the book's four sections show readers step by step how to develop implement and evaluate a personalized behavior management plan that best meets the unique needs of their classrooms which can vary tremendously in both size and types of students served From the first page to the last this new text addresses the reader in a friendly personal way in an effort to enhance accessibility and encourage them to want to understand the what and how of each strategy and or process and how it relates to the overall behavioral framework laid out

in section one Ideal for both current and prospective special educators this book supports readers in developing their own comprehensive approach to classroom behavior management that can be implemented across grade levels Quality Instruction and Intervention for Elementary Educators Brittany L. Hott, Pamela Williamson, 2024-10-02 Effective teaching starts with quality instruction that most students respond well to However about 35% of students will require specialized and more intensive instruction to meet academic and behavioral standards Both students with exceptionalities who are eligible to receive special education and related services and students who are placed at risk due to circumstance require deserve and are legally entitled to quality intervention Quality Instruction and Intervention for Elementary Educators offers an accessible resource for educators interested in evidence based strategies to ensure all students have access to an excellent education Two dedicated chapters authored by leading content and strategy experts in the field are devoted to content areas The first chapter focuses on quality instruction with academic subject matter specialists as lead authors with interventionists supporting The second chapter focuses on effective intervention with the interventionists taking the lead author roles and academic subject matter specialists supporting Between the two chapters is a dialogue between the teams of authors bridging instruction and intervention This unique approach bridges the gap between quality instruction and effective intervention an often overlooked component of teacher education The book also includes dedicated chapters on the integration of instructional technology and executive functioning After reading the book educators will be able to describe the components of effective instruction and intervention in each of the content areas access empirically validated materials and locate resources for continued learning

The Paraprofessional's Essential Guide to Inclusive Education Peggy A. Hammeken, 2009 A well designed reference and learning tool for paraprofessionals The valuable templates can easily be reproduced and used with students Renee Bernhardt Special Education Teacher Johnston Elementary School Woodstock GA This is a great guide I have already used excerpts for an informal paraprofessional workshop in my school The paraeducators thought that it covered all the areas of concern that they have They couldn't believe how many ready to use ideas it had Dawne Dragonetti Special Education Teacher and Instructional Coach Center School Stow MA Hundreds of strategies that promote success for struggling students in inclusive classrooms Paraprofessionals are essential in helping students with special needs access the general education curriculum and receive the individualized attention they need This updated edition of Inclusion An Essential Guide for the Paraprofessional answers paraprofessionals most common questions and provides extensive strategies for all content areas Developed as a daily hands on working manual the completely revised edition includes a new chapter on reading expanded chapters throughout additional activities for classroom use more than 75 new strategies and more than 50 forms available on a CD ROM for easy reproduction Ideal for experienced or novice paraprofessionals this volume includes techniques for supporting students in reading spelling language and mathematics and covers topics such as Inclusive practices Policies procedures and schedules Accommodations and modifications for the

classroom Communication and organizational skills Peer tutoring Behavior management Confidentiality and reporting Also an appropriate handbook for working with general education students who may need additional help to experience academic success this resource provides the ideal support for all paraprofessionals working in the general education classroom
