*Intentional and Targeted Teaching* Douglas Fisher, Nancy Frey, Stefani Arzonetti Hite, 2016-05-04

What is FIT Teaching? What is a FIT Teacher? The Framework for Intentional and Targeted Teaching or FIT Teaching is a research-based, field-tested and experience-honed process that captures the essentials of the best educational environments. In contrast to restrictive pedagogical prescriptions or formulas, FIT Teaching empowers teachers to adapt the most effective planning, instructional, and assessment practices to their particular context in order to move their students' learning from where it is now to where it should be. To be a FIT Teacher is to make a heroic commitment to learning not just to the learning of every student in the classroom but to the professional learning necessary to grow, inspire, and lead. This book introduces the powerful FIT Teaching Tool, which harnesses the FIT Teaching approach and presents a detailed continuum of growth and leadership. It's a close-up look at what intentional and targeted teaching is and what successful teachers do to: Plan with purpose, Cultivate a learning climate, Instruct with intention, Assess with a system, Impact student learning. Designed to foster discussion among educators about what they are doing in the classroom, the FIT Teaching Tool can be used by teachers for self-assessment, by teacher peers for collegial feedback in professional learning communities, by instructional coaches to focus on the skills teachers need both on-stage and off, and by school leaders to highlight their teachers' strengths and value. Join authors Douglas Fisher, Nancy Frey, and Stefani Arzonetti Hite for an examination of what makes great teachers great and see how educators at all grade levels and all levels of experience are taking intentional steps toward enhanced professional practice.

**How to Lead When Your Boss Can't (or Won't)** John C. Maxwell, 2019-10-01

Don't let a bad boss or manager hold you back from being successful. Every day millions of people with high potential are frustrated and held back by incompetent leaders. New York Times bestselling author and leadership expert John C. Maxwell knows this because the number one question he gets asked is about how to lead when the boss isn't a good leader. You don't have to be trapped in your work situation. In this book, adapted from the million-selling *The 360 Degree Leader* and now distilled down for busy professionals, Maxwell unveils the keys to successfully navigating the challenges of working for a bad boss. In *How to Lead When Your Boss Can't or Won't*, Maxwell teaches you how to position yourself for current and future success, take the high road with a poor leader, avoid common pitfalls, work well with teammates, and develop influence wherever you find yourself. Practicing the principles taught in this book will result in endless opportunities for your organization, your career, and your life. You can learn how to lead when your boss can't or won't.

*The Great Game of Business, Expanded and Updated* Jack Stack, Bob Burlingham, 2013-07-16

The Great Game of Business started a business revolution by introducing the world to open book management, a new way of running a business that created unprecedented profit and employee engagement. The revised and updated edition of *The Great Game of Business* lays out an entirely

different way of running a company It wasn't dreamed up in an executive think tank or an Ivy League business school or around the conference table by big time consultants It was forged on the factory floors of the heartland by ordinary folks hoping to figure out how to save their jobs when their parent company International Harvester went down the tubes What these workers created was a revolutionary approach to management that has proven itself in every industry around the world for the past thirty years an approach that is perhaps the last best hope for reviving the American Dream The Secret Language of Leadership Stephen Denning, 2011-01-07 A Financial Times Best Business Book of the Year A guide to sharpening your narrative intelligence from the Warren Buffett of business communication Chip Heath New York Times bestselling coauthor of The Power of Moments In this book the acclaimed author of The Leader's Guide to Storytelling introduces the concept of narrative intelligence an ability to understand act and react with agility in the quicksilver world of interacting narratives Stephen Denning shows why this is key to the central task of leadership what its dimensions are and how you can measure it The book's lucid explanations vivid examples and practical tips are essential reading for CEOs managers change agents marketers salespersons brand managers politicians teachers parents anyone who is setting out to change the world Leaders don't just execute strategy they must inspire others to follow This book explains how Financial Times Denning cohesively links the importance of narrative intelligence and telling stories to leadership success Library Journal
