and more Nikki hasn't seen her grandmother in years. So when the elder calls out of the blue with an urgent request for Nikki to visit her in the hills of western North Carolina, Nikki hesitates only for a moment. After years of silence in her family due to a mysterious estrangement between her mother and grandmother, she's determined to learn the truth while she still can. But instead of answers about the recent past, Mother Rita tells Nikki an incredible story of a kingdom on this very mountain and of her great great great grandmother Luella who would become its queen. It sounds like the makings of a fairy tale royalty among a community of freed people. But the more Nikki learns about the Kingdom of the Happy Land and the lives of those who dwelled in the ruins she discovers in the woods, the more she realizes how much of her identity and her family's secrets are wrapped up in these hills. Because this land is their legacy and it will be up to her to protect it before it like so much else is stolen away. Inspired by true events, *Happy Land* is a transporting multi-generational novel about the stories that shape us and the dazzling courage it takes to dream.

A Cracked Egg Sarah Levine, 2013-12. *Cracked Egg* a true story begins at the earliest age remembered. It is based on memory as understood then and now. Marriage at much too young an age could have contributed and probably did contribute to the stumble resulting in problems that grew and grew. Feelings and beliefs are evident throughout each chapter that promotes considerate thought as to what is right, wrong and good in life as seen in the cracked egg's family. The cracked egg's life and family picture how sin developed to follow generation after generation. God continued blessing this imperfect egg during the failures or sins as responsibilities for the problems were acknowledged and accepted. Life experiences, blessings and beliefs are shared to generate and initiate other people's beliefs. Would you believe that failure to tithe regardless of the reason would cause you not to be able to continue teaching Sunday school? It happened. You will have to read to believe. The most spiritual family member among the youngest was taken to paradise. This death guided and taught endurance and understanding of the question, Why? A lesson in forgiveness was learned after other family member caused tremendous hurt prior to a large storm. Many changes have been accomplished in the cracked egg's life and the story illuminates this as it moves through chapter by chapter. Hopefully this story will provide insight to others before they tumble down a mountain of regrets. God bless every person who reads this story.
