[Holistic Microneedling](#) Anthony Kingston, 2012-09

Skin needling or microneedling has taken the cosmetic world by storm in the last decade Its amazing ability to induct the body's own collagen in vast quantities and dramatically increase product absorption has made it a main stay in the high end cosmetic clinics across the globe

In this ground breaking book Anthony Kingston explains the new wave of skin needling treatments techniques

By applying microneedling in a holistic way you can

- Create painless skin needling treatments
- Reduce or remove side effects
- Create individualised treatments
- Work with the body rather than against it
- Achieve outstanding results

This demand for quality holistic beauty treatments is growing rapidly as more and more people demand ways to slow the appearance of age in a natural healthy way

By drawing on the ancient skin needling traditions of the far east Anthony shows us how to perform microneedling in a less invasive way and achieve results above and beyond what more aggressive treatments can promise

Anthony is uniquely placed to write this book having studied cosmetic skin needling throughout Asia before founding the first specialist skin needling clinic in the Southern hemisphere

He has repeatedly demonstrated his techniques on National Television and now teaches his techniques throughout the world

Whether you are an experienced clinic owner or a home user who wants to improve results and avoid risks this book will introduce you to a totally new and innovative way to perform microneedling
