SECOND EDITION

An illustration of a man in a blue suit standing on a path, looking through a telescope. The path is a complex, winding blue line that branches out into several directions, set against a background of green hills. In the center of the path, there is a tall, white, conical structure resembling a clock tower or a monument. A clock face is visible on the upper part of this structure, and a horizontal line with an arrow points to the right, passing through the center of the clock face. A dollar sign (\$) is positioned above the arrow.
