Writing Short Stories- A Guide (Utah) Fred Melden, 2019-03-27 Why write? The answer is two-fold: For the love of it, or because you have something to say or show. We are a sharing species, a storytelling species. If there is a story, or hopefully stories inside you, by all means, write. More important, learn to write well. In these books, I deconstruct stories to exemplify the principles behind good storytelling, as well as weaknesses in parts that could have been better written.
