

OH OUR LAST AND FINAL NAME IS NIRVANA ooh eerie mystical Doom

We felt like they should have had score cards.
And so after the set Bruce excitedly shakes our hands and SAYS "wow Good job lets do A Record".
~~then~~ then flashes of CAMERAS go off And this Girl from Backlash says "Gee Can we do an interview?" yeah sure why not. And then people say Good job you guys are Great And Now we're expected to be total Socialites - meeting people, introducing etc. **FUCK IM IN HIGH SCHOOL AGAIN!** I want to move back to Aberdeen. NAN olympia is just as boring and I can proudly say ive only been in the Smithfield about 5 times this year. And so because of this Zoo-event we've at least gotten a contract for 3 songs A single to be put out by end of August and an EP out in Sept or Oct. were gonna try to talk them into an LP. Now Johnathan is our manager, he gets us shows remotely in Oregon & Vancouver. He's paying for all recording & distribution costs & now we don't have to have outrageous phone bills. Dave is working out OK. Sometime next year sub pop is gonna have a caravan of 2 or 3 Seattle Bands go ontour. yeah well see. Thru your past experiences Do you think it would be wise to demand receipts for recording, pressing costs? Enough About Records OH except this one night last month, Chris and I dropped Acid And we were watching the late show (rip off of Johnny Carson) and Paul Revere and the Raiders were on there, they were so fucking stupid! Dancing around with moustaches, trying to act comical and Garty. It really pissed us off and I Asked Chris Do you have any Paul Revere & the Raiders albums?

The Social and Applied Psychology of Music Adrian North, David Hargreaves, 2008-04-10 Music is so ubiquitous that it can be easy to overlook the powerful influence it exerts in so many areas of our lives from birth through childhood to old age The Social and Applied Psychology of Music is the successor to the bestselling and influential The Social Psychology of Music It considers the value of music in everyday life answering some of the perennial questions about music The book begins with a scene setting chapter that describes the academic background to the book before looking at composition and musicianship It then goes on to look at musical preference What aspects of music are crucial in determining whether or not you will like it In chapter 4 the authors consider whether rap and rock are bad for young people highlighting some of the major moral scandals that have rocked pop music and asking whether these have become more extreme over time The following chapter looks at music as a commercial product How does the structure of the music industry influence CD purchasing and how does music affect customers in retail and leisure settings like shops and restaurants The book closes with an examination of music education How does musical ability develop in children and how does this relate to more general theories of how intellectual skills develop Do musical skills develop independently of other abilities Exceptionally broad in scope and written in a highly accessible style by the leading researchers in this field The Social and Applied Psychology of Music will be required reading for anyone seeking an understanding of the role music plays in our lives

his stormy marriage to Courtney Love and the birth of his daughter who as Cobain wrote in his suicide note reminds me too much of who I used to be During his research Sandford has had access to Cobain s family his colleagues his former friends and lovers and even author William S Burroughs whom Cobain considered to be his greatest influence The result is a graphic account of the life that led to the day in April 1994 when Cobain turned a shotgun on himself and became a martyr to disaffected youth around the world RIP Kurt Cobain Tribute Notebooks,2018-09-17 Kurt Cobain Journal Diary Notebook
