**instituteurs** Joseph Soleil, 1929 **France and Women, 1789-1914** James McMillan, Professor James F Mcmillan, 2002-01-08 France and Women 1789-1914 is the first book to offer an authoritative account of women's history throughout the nineteenth century James McMillan author of the seminal work *Housewife or Harlot* offers a major reinterpretation of the French past in relation to gender throughout these tumultuous decades of revolution and war This book provides a challenging discussion of the factors which made French political culture so profoundly sexist and in particular it shows that many of the myths about progress and emancipation associated with modernisation and the coming of mass politics do not stand up to close scrutiny It also reveals the conservative nature of the republican left and of the ingrained belief throughout French society that women should remain within the domestic sphere James McMillan considers the role played by French men and women in the politics culture and society of their country throughout the 1800s **Le Sénégal contemporain** Momar Coumba Diop, 2002-01-01 Il manquait toute la littérature disponible sur le Sénégal une synthèse présentant les faits et phases majeurs de son évolution depuis l'indépendance Cet ouvrage cherche à combler une telle lacune Il constitue la première tentative de cette envergure pour écrire une histoire intellectuelle sociale et politique de ce pays Il s'agit dans différents domaines de déterminer par-delà l'enchevêtrement des faits les tendances lourdes des changements observés et de caractériser les principaux défis auxquels ce pays devra faire face durant les prochaines décennies Elaboré par une

quipe pluridisciplinaire composée de chercheurs de générations et de nationalités différentes cet ouvrage clare aussi les trajectoires de l'Etat et de la société restituée et rend intelligibles différents mondes de la vie Un soin particulier est ainsi apporté à l'étude des initiatives et innovations qui surgissent en marge de l'Etat aux savoirs accumulés la culture la question nationale mais aussi aux visages et langages de la citoyenneté ou aux dissidences existant dans certains territoires physiques ou théoriques Ce livre tente donc une véritable biographie du Sénégal Par la qualité des informations fournies et le caractère souvent hétérodoxe des idées qui y sont développées cet ouvrage est un outil de référence pour comprendre le Sénégal A travers la variété des questions étudiées et l'originalité des contributions il apporte une somme de connaissances permettant de consolider les bases d'une analyse destinée à répondre avec assurance la question relative à l'avenir du Sénégal d'ancienne recombinaison ou renaissance
