Microsoft Arc Keyboard Support:

Surface For Dummies Andy Rathbone, 2014-04-11 Make Microsoft's Surface work and play just the way you want it to. Microsoft's Surface tablet has the features and personality you're looking for with a robust environment for business computing that doesn't skimp on fun. **Surface for Dummies 2nd Edition** explains how Windows 8.1 Pro and Windows RT differ and helps you decide which Surface model is best for you. Step by step, this book walks you through both the hardware and software features of the Surface including the touch cover and type cover. Windows RT and Windows 8.1 Pro operating systems and the coveted Office Home Student 2013 software suite that's bundled with the Surface. Written by bestselling author Andy Rathbone, this easy-to-access book is filled with information on how to use the tablet, figure out the operating system, navigate the app environment, and take advantage of your exciting new Surface. The book is your personal guide to one of the fastest, sleekest, and most powerful tablets on the market. Surface is designed to be thin, light, and with hours of battery life, so you can power through your day with ease. With this handy reference, you'll be able to make quick work of your to-do list and have fun all at the same time. Create, release your inner artist with Fresh Paint, a touch-based art app. Share Multiple accounts offer privacy and security so you can share your Surface but not your stuff. Enjoy Snap apps side-by-side to multi-task on the vivid HD screen. Discover New apps in the Windows Store so you can work efficiently and get more done. With **Surface For Dummies 2nd Edition**, you can navigate and enhance your entire Surface experience. **Computerworld**, 1994-03-21 For more than 40 years, Computerworld has been the leading source of technology news and information for IT influencers worldwide. Computerworld's award-winning Web site, Computerworld.com, twice monthly publication, focused conference series, and custom research form the hub of the world's largest global IT media network. **InfoWorld**, 1987-11-02 InfoWorld is targeted to Senior IT professionals. AT is designed to support and enable people with disabilities, either acquired or congenital, to participate in activities with greater independence and safety. With a global aging population, it has an important role to play in enabling and supporting those with disability and their carers. **Handbook of Electronic Assistive Technology** discusses a range of commonly available or emerging electronic assistive technologies. It provides historical background, advice when assessing for these devices, and references different models of provision. It includes both medical and engineering aspects of provision. It is anticipated that the book will support students, trainees, and newly qualified Assistive Technology Practitioners to develop their understanding of the field by considering the variables that could potentially influence the decision-making process when assessing for and providing this equipment. It also provides a reference point for those already practicing in this field and offers coverage of a broader range of technologies than clinicians may be exposed to in their daily work. This is
