Today's White Collar Crime Hank J. Brightman,2011-04-06 Written as a text for undergraduate courses this book appeals to instructors interested in teaching the field of white collar crime both from a matter of fact investigative perspective as well as a decidedly academic endeavor Accordingly it goes beyond discussing the basic theories and typologies of commonly encountered offenses such as fraud forgery embezzlement and currency counterfeiting to include the legalistic aspects of white collar crime It also explores the investigative tools and analytical techniques needed if students wish to pursue careers in this field Because of the inextricable links between abuse of trust crimes such as misuse of government office nepotism and bribery and the realm of corporate corruption these issues are also included The text also maintains a connection between white collar crime and acts of international terrorism as well as the more controversial aspects of possible abuses of power within the public arena posed by the USA Patriot Act of 2001 and the asset forfeiture

process Adapted readings at the end of each chapter provide readable cases of white collar crime in action to illustrate the principles theories presented Activities Exercises and Photographs are also included in each of the 10 chapters and a Companion Web Site provides additional test items and other instructor support material **InfoWorld** ,1982-03-01 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects **Research and Advanced Technology for Digital Libraries** Jose Borbinha,Thomas Baker,2003-06-26 ECDL2000 the Fourth European Conference on Research and Advanced Technology for Digital Libraries is being held this year in Lisbon Portugal following previous events in Pisa 1997 Heraklion 1998 and Paris 1999 One major goal of the ECDL conference series has been to draw information professionals stakeholders and user communities from both the research world and from industry into a discussion of the alternative technologies policies and scenarios for global digital libraries The success of previous conferences makes them a hard act to follow The field of digital libraries draws on a truly diverse set of scientific and technical disciplines In the past three years moreover global cooperation on research and development has emerged as an urgent priority particularly in the new European Framework Programme and in the Digital Library Initiative in the United States Because of this diversity the field is perhaps still struggling for an identity But this struggle for identity is itself a source of energy and creativity Participants in this field feel themselves to be part of a special community with special people Each of us may claim expertise on a narrow issue with specific projects but the choices we make and the methods we use in local solutions can have unforeseen impacts within a growing universe of interconnected resources InfoWorld ,1982-04-19 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects **Directory of Distance Learning Opportunities** Modoc Press, Inc.,2003-02-28 This book provides an overview of current K 12 courses and programs offered in the United States as correspondence study or via such electronic delivery systems as satellite cable or the Internet The Directory includes over 6 000 courses offered by 154 institutions or distance learning consortium members Following an introduction that describes existing practices and delivery methods the Directory offers three indexes Subject Index of Courses Offered by Level Course Level Index Geographic Index All information was supplied by the institutions Entries include current contact information a description of the institution and the courses offered grade level and admission information tuition and fee information enrollment periods delivery information equipment requirements credit and grading information library services and accreditation InfoWorld ,1981-06-22 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects **InfoWorld** ,1982-03-29 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects *InfoWorld* ,1982-05-10 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies
