Ryan, 2003 Offers an introduction to the geography history and people of the Bible **Christian Home Educators' Curriculum Manual** Cathy Duffy, 1997-11 **Answer Book: the First Hebrew Primer, Third Edition** Ethelyn Simon, 2002 *A Primer on the Book of Revelation* Ted Noel, 2010-01-01 Revelation is sooo complicated Wait a minute If a Jewish fisherman understood what his Rabbi showed him then it shouldn't be hard for us either We just need his tools Fortunately God left them for us in the same place John found them the Bible This Primer uses the rest of the Bible to explain Revelation in plain language We've banned the big words professors use We've thrown out their multi part sentences and we don't waste time explaining why we disagree with somebody Instead we try to let the text speak for itself When you read this Primer you'll see that it was written for you with great respect for God's word By the way Revelation isn't that complicated After all it's the revealing of Jesus Christ **A Primer on the Book of Daniel** Ted Noel, 2009-01-01 The Common Market is going to be the kingdom of the Antichrist Jesus will return within 40 years of the creation of the state of Israel in 1948 The Battle of Armageddon will come when the Soviet Union invades Israel over oil Those newspaper mileposts passed and the Soviet Union fell The faithful Christian has his faith shaken every time prophetic teaching based on the New York Times fails Critics have a field day with each wrong interpretation Then a new theory that fits the daily news better than the last one pops up Each time the sensational new speculation fails Could it be that prophecy writers are listening to CNN more than to God When a careful Christian reads a scholarly work it can be about as interesting as reading the telephone book Scholars do great research but their books generally are written to other scholars not to the rest of us Isn't there a better choice You're holding it A Primer on the Book of Daniel is designed for you It's written in your language not the almost foreign jargon of the scholar At the same time it's drawn from the work of scholars who have studied the Bible carefully for years Their work has been assembled and translated so you can understand what the Bible says when it's allowed to interpret itself Using plain language Daniel gets to explain himself *Paperbound Books in Print*, 1984 A Practical Primer on Theological Method Glenn R. Kreider, Michael J. Svigel, 2019-09-03 A how to manual for doing theology and a handbook of etiquette for doctrinal discussions with other believers Around a table sit men and women with distinct roles The Interpreter the Theologian the Virtuous the Philosopher the Scientist the Artist the Minister and the Historian Each is ready to engage in a passionate

discussion centered on God his works and his ways Regardless of which role you play at the same table you re invited You simply need to pull up a chair and join the conversation But how What do you say when you take your seat Where do you start What are the rules of the dialogue A Practical Primer on Theological Method will help you answer these questions This primer is not only a how to manual for doing theology but a handbook of etiquette for doctrinal discussions with other believers This popular level introductory text presents the proper manner mode and means of engaging fruitfully in theology
