Life John Ames Mitchell,1900 The Curse of Dead Horse Canyon Marcha Fox,Pete Risingsun,2020-07-28 In 1879 a drunken hoard of silver miners raided a Cheyenne village while the tribe s warriors hunted buffalo A small band of young braves not yet old enough to join the hunt escaped and rode for help Their efforts failed when they were discovered by the raiders who ran them over a cliff along with all the tribe s horses that had been left behind When the warriors returned and found the devastation the tribe s medicine man Black Cloud placed a curse on the site A century and a half later a scandalous Top Secret project is under construction in the same Colorado wilderness Bryan Reynolds discovers that its roots lie in the same greed corruption and exploitation of the Earth that precipitated the curse But before he can expose what he s found he s killed in a suspicious accident that his wife Sara miraculously survives Her memory of where they were or what they d discovered however is gone Neither Sara nor Bryan s life long Native American friend Charlie Littlewolf will rest until they find out what Bryan discovered that resulted in his death Charlie is acutely aware that the only way to solve the mystery is through connecting with his indigenous roots and the grandfather spirits To do so he must return to the teachings of his medicine man grandfather His journey back to the Cheyenne way includes ancient rituals and ceremonies that guide him and Sara to the answers they seek As a descendant of Black Cloud his destiny is deeply embedded in the fulfillment of the original curse which was triggered by what Bryan discovered Charlie s quest has only just begun A government conspiracy lies at the core of the story though this first volume of the trilogy concentrates on Sara and Charlie discovering what Bryan knew that got him killed Modern man s disregard for the environment which conflicts with Native American philosophies of animism and of honoring the Earth plays an important part Past pollution caused by 19th century mining is inherent to the story as well as contemporary activities such as fracking Various paranormal and supernatural elements including detailed descriptions of

Cheyenne rituals and ceremonies such as the sacred red pipe ceremonial fasting and the sweat lodge are included. The Cheyenne's name for the Great Spirit is Maheo who is referred to throughout. There are numerous other worldly situations included based on the experiences of the story's Cheyenne co-author. While the story is fictitious, these depictions are authentic. Modern technology plays a significant role in juxtaposition to traditional Native American elements. Astronomy and the ancient art and science of western astrology play roles as well in helping direct Sara and Charlie to the answers they need. In essence, this saga's theme includes the collision of two disparate cultures and their respective attitudes toward the Earth, one of which is honor, the other exploitation. These complexities are what expanded this story into a trilogy. Native American history is touched upon but will be covered in greater detail in subsequent volumes.

Old School Ties Lloyd Frankland, 2008-10. Tyler Brykman returns home from a business trip to find the mutilated bodies of his wife and two children. Morgan Strongbow and Sara Rydell are assigned to the case even though Sara may not be fully recovered from the life-threatening wound she received solving their previous case. Brykman immediately becomes their primary suspect until he tells them he was in Europe. As soon as Strongbow and Sara corroborate Brykman's alibi, they turn their attention to his partner, a manipulative bully named Ronald Mazarovic. When Mazarovic's wife and children meet the same fate as Tyler Brykman's, the police are certain they have their man. The problem is Mazarovic also has an alibi for the times when both homicides took place. Could the two attorneys have plotted the murders together and acted as each other's alibis? Or might someone be trying to take revenge on Brykman and Mazarovic for a series of events that took place decades earlier when the two were in grammar school. Betrayal. Bullies. Manipulation. Rape. Revenge. **Old School Ties** has all of the mind-bending plot twists that readers of *Veiled Threats*, the first installment of Lloyd Frankland's Chicagoland Detective Series, have come to expect.
