How To Make Love To A Martian:

How to Make Love to a Martian Akash Abid, 2021-06-07 Why are you doing this he asked in his rough Jamaican accent as he slammed my mobile phone the screen lit onto the countertop I looked at him for a beat as he stood in the doorway of the bathroom with nothing to his name but our marriage certificate I stopped drying my hair brush in one hand blow dryer in the other then looked down at the phone to find he d riffled through it and uncovered a stream of text messages and explicit photographs I d sent to my lover the night before I looked back up at him smirked and replied Why not He stood there weak and defeated his dark skin paling and his crooked toes gripping the carpet His eyes darted back and forth as he struggled to find some sort of understanding I was unflinching I stood with honor and pride despite my infidelity In my calmest most rational voice I continued Listen I have to be at the salon in thirty minutes I m going to finish blow drying my hair Why don t you take this time to go through my phone some more and get all the information you feel you need I turned back toward the mirror and resumed drying my hair as he collected my phone and headed back into the bedroom After finishing I entered the room and stood at the foot of the bed as he lay there scrolling through the phone I have to go so I ll need that back He sat up and handed the device to me then silently slouched back onto the pillows I ll be gone for about an hour If you have any questions we can discuss them when I return I insisted before slipping on my shoes grabbing my purse and walking out the door
