

A black IBM ThinkPad T60 laptop is open and resting on a wooden desk. The laptop's screen is dark and shows a faint, blurry image of a person's face. The keyboard is black with a red TrackPoint in the center. The palm rest area features a trackpad and several buttons. On the bottom left of the laptop, there are two small stickers: one with the Windows logo and another with the Intel logo. The background shows a cluttered desk with various items, including a black box and some cables.
