Gay and Lesbian Rights David E. Newton, 2009-10-27 This thoroughly updated edition provides readers with the background and resources needed to understand one of the greatest civil rights issues of our time When it was first published in 1994 *Gay and Lesbian Rights A Reference Handbook* was acclaimed in *School Library Journal* for taking a sober and balanced approach in addressing this emotionally charged and complex topic The new edition shows just how far the nation has come in securing legal protections regardless of sexual orientation and how far we still have to go *Gay and Lesbian Rights A Reference Handbook Second Edition* provides a history of the gay liberation and gay rights movements in the United States and other parts of the world Maintaining the careful approach of the first edition it addresses a range of current issues from housing and employment discrimination to military service to same sex marriage and adoption laws Wholly rewritten with almost 80 percent new material it is the ideal introduction to one of the most important civil rights issues in the world today

Privacy in the Digital Age Nancy S. Lind, Erik T. Rankin, 2015-06-19 A collection of expert essays examines the privacy rights that have been lost in the post 9 11 era giving students and others the knowledge they need to take back their constitutional protections This timely two volume collection shares information every citizen should have tackling the erosion of privacy rights engendered by the ability of digital technology to intercept mine and store personal data most often without the knowledge of those being monitored Examining its subject through the lens of Fourth Amendment rights the work focuses on technological advances that now gather personal data on an unprecedented scale whether by monitoring social media tracking cell phones or using thermal imaging to watch people s movement It also examines the possible impact of the widespread gathering of such data by law enforcement and security agencies and by

private corporations such as Google Organized by hot button topics confronting U S citizens in the post 9 11 era the work reviews the original intent of the Fourth Amendment and then traces the development and erosion of interpretations of that amendment in the 21st century Topical essays offer a comprehensive treatment and understanding of current Fourth Amendment issues including those that have been brought before the courts and those relative to the continuing governmental and societal emphasis on security and public safety since the Columbine shootings in 1999 and the events of September 11 2001
