But set against a tidal wave of trademark applications, mortifying mistranslations and disappearing dot com availability you won't find a good name by dumping out Scrabble tiles. The step by step process professional namers use. How to generate hundreds of name ideas. The secrets of whittling the list down to a finalist. The most complete and detailed book about naming your brand. Brand Naming also includes insider anecdotes, tired trends, brand origin stories and busted myths. Whether you need a great name for a new company or product or just want to learn the secrets of professional word nerds, put down the thesaurus, not to mention Scrabble and pick up Brand Naming. **The Assassin's Mace** Brigadier General Bob Butalia, 2011-08-11 Things are never what they seem, especially in the world of international politics. Janet Chang appears to be an attractive, successful scientist, but she's really a Chinese spy sent to degrade United States nuclear submarine capability. If she succeeds, America's potential ally India will disintegrate and fall apart. Of course, China isn't the only country out to get India on the ropes. Syed Ali is a former member of Pakistan's Inter-Services Intelligence who served as a long-term mentor to the Taliban and Al Qaeda. His orchestrated terror attacks are inflicting death and instability in India. All the while, Durga Vadera, a maverick politician, becomes the Indian Prime Minister after her predecessor, and the United States Ambassador is killed. She invokes a secretive Crisis Management Group that may cause more harm than good. America must struggle to give aid to fading India, and fast. Ash Conway, former US intelligence agent, is hired to provide input on the terrorist strategies in India using a proprietary gaming technology. What follows is nothing short of widespread conflict leading up to a gripping and unimaginable climax. The ending might not be peaceful. Lives may be lost, but as it stands, America is India's only hope for survival, and the pressure rests on the shoulders of one woman alone. Between Lives K.S. Maniam, 2011-06 Right in the middle of a buzzing Malaysian city is a magnificent forest, now a piece of prime real estate and the perfect setting for a swanky theme park. The trouble, however, is Sellamma, the old woman who owns the forest land and refuses to budge. Sumitra, who works for the Social Reconstruction Department, is given the challenging task of convincing the old lady to move into a welfare home. A great believer in her people's skills and a focused professional, Sumitra is used to tackling all kinds of cases. But somehow, Sellamma eludes her manoeuvres. Instead, Sumitra finds herself falling under the spell of the lazy afternoons she spends with the old woman and her dog, listening to stories by the gushing river. Bewitched by the hidden sounds of the forest that punctuate the ageless woman's narrative, she begins to reflect on her life and choices. On her death, Sellamma leaves Sumitra with yet another choice: by bequeathing the land to her. Set in a mesmerizing landscape and illuminating the eternal struggle between the old and the new, Between Lives reveals to us a journey of self-reflection and the hope of recovering what is lost forever to humanity. A haunting tale of love and redemption. **2011 M/Y NT Pajero**, 2010 Mitsubishi
