**The Learning Project** Lincoln Stoller, PhD, CHt, 2019-01-05 Ever since your schooling began you have been frustrated by its failure to inspire or demonstrate its importance It did not tell you what was most important and what it told you certainly was not You heard about genocide the assassination of JFK the World Wars and others since You have asked about these and other things and you ve been told what but not why Every year you expected truth to be revealed but it never was The question of why is never answered Your classmates progressed from intimidated elementary school students assaulted by teachers tests and the pledge of allegiance to compliant high school students accepting insipid explanations eroded self confidence and hostile competition By the time you reached middle school you were angry numb and indifferent At this point you started to search for wiser counsel and a deeper understanding of education the world and yourself For six decades I have been asking interesting people to answer the question of meaning growth and change I have returned to my wisest mentors classmates partners and their teachers students and children looking for answers to the question of what lies at the root of inspiration and opportunity What improves our lives In *The Learning Project* thirty five artists athletes tradesmen soldiers scientists and politicians teenagers adults and elders describe their passages of inner change One struggled with adolescence in a broken immigrant family Another trained to be an astronaut A third learned craftsmanship from a grandfather who lived during the Civil War These rites of passage echo a mythology that goes back thousands of years In them are the secrets to growing your humanity This is not the sanitized version reduced to self help aphorisms or buzzwords for business schools These are not pigeonholed people or bedtime stories They are fully textured authentic rites of passage unfiltered and unfolded by layers Lives like yours confusing complex uncertain and in the process of finding root This is the story of your own transcendence and the transformation of us all      **A Parent's Guide to School Projects** Kathie

Weir, 2002-04 Shows parents how to help their children with a wide variety of school projects ranging from the simple to the complex      *10 Ready-to-go Book Report Projects* Rebekah Elmore, Michael Gravois, 1997 Projects designed to help students think critically about the books they have read      **Research in Education** ,1974      **The Literacy Cookbook** Sarah Tantillo, 2012-11-16 Proven methods for teaching reading comprehension to all students The Literacy Cookbook is filled with classroom tested techniques for teaching reading comprehension to even the most hard to reach students The book offers a review of approaches that are targeted for teaching reading writing speaking and listening skills The book also includes information on how to connect reading writing and test prep Contains accessible and easy to adopt recipes for strengthening
