Early Career English Teachers in Action Robert Rozema, Lindsay Ellis, 2014-08-13 The first few years of teaching are critical to the professional development of effective English teachers. In these crucial years new teachers establish their identities learn the ins and outs of the curriculum acclimate to unfamiliar communities and cope with student behaviors that they never expected. All of this can be daunting for novice teachers. This book can help. The stories within are written by English teachers in the early stages of their careers. In their carefully crafted narratives teachers offer practical strategies professional insights and a wealth of tips for surviving the first years in the classroom. The narratives are grouped into thematic chapters with brief introductions of key terms helpful learning activities and provocative discussion questions all intended to foster critical conversation about beginning a career teaching English. In a time when many teachers leave the profession too soon *Early Career English Teachers in Action* gives voice to those who have decided to stay. More importantly this book validates teacher narratives as a powerful way of understanding what happens inside of the classroom a way that provides more authentic evidence of learning than standardized test scores will ever supply.

Curriculum, Instruction, and Assessment Sandra L. Stacki, Micki M. Caskey, Steven B. Mertens, 2020-05-01 The lives of middle school students are dynamic and their needs and desires are always evolving. They experience more complicated lives as influences of the broader society including popular media and technology immigration and cultural diversity amplified political divisiveness and bullying effect their daily lives both in and out of school. These influences have contributed to the need for more socialemotional support and the desire of students and teachers alike to find and express their voices. Since the publication of the 2002 Handbook volume focusing on curriculum instruction and assessment the ideas approaches and practices of middle school educators and researchers have also needed to evolve and change in many ways to meet these changing realities and the needs of students teachers and schools. This volume includes chapters focusing on varying aspects of curriculum instruction and assessment currently being implemented in middle grades classrooms across the country.
