The New Market Wizards Jack D. Schwager, 2012-10-10 Praise for THE NEW MARKET WIZARDS Jack Schwager simply writes the best books about trading I ve ever read These interviews always give me a lot to think about If you like learning about traders and trading you ll find that reading this book is time well spent Richard Dennis President The Dennis Trading Group Inc Jack Schwager s deep knowledge of the markets and his extensive network of personal contacts throughout the industry have set him apart as the definitive market chronicler of our age Ed Seykota Very interesting indeed John Train author of The Money Masters Successful trading demands longtime experience because it requires firsthand knowledge If there is a shortcut to this requirement however it is in reading about the experiences of others Jack Schwager s book provides that shortcut If you find yourself sweating upon occasion as you read then you re as close to the trading

experience as you can get without actually doing it yourself Robert R Prechter Jr editor The Elliott Wave Theorist THE NEW MARKET WIZARDS Some traders distinguish themselves from the herd These supertraders make millions of dollars sometimes in hours and consistently outperform their peers As he did in his acclaimed national bestseller Market Wizards Jack Schwager interviews a host of these supertraders spectacular winners whose success occurs across a spectrum of financial markets These traders use different methods but they all share an edge How do they do it What separates them from the others What can they teach the average trader or investor In The New Market Wizards these wildly successful traders relate the financial strategies that have rocketed them to success as well as the embarrassing losses that have proven them all too human Meet the Wizards of Wall Street Stan Druckenmiller who as manager of the Soros Quantum Fund realized an average annual return of more than 38 percent on assets ranging between 2 0 and 3 5 billion William Eckhardt a mathematician who in collaboration with trader Richard Dennis selected and trained the now legendary circle known as the Turtles Bill Lipschutz a former architect who for eight years was Salomon Brothers largest and most successful currency trader Blair Hull a one time blackjack player who began an options trading company with Asking the questions that readers with an interest in the financial markets would love to pose to the financial superstars and filled with candid appraisals The New Market Wizards takes its place as a classic Technical Analysis, Study Guide Jack D. Schwager, 1997-10-02 The definitive guide to technical analysis written from a trader s perspective With the keen insight and perspective that have made him a market legend Jack D Schwager explores explains and examines the application of technical analysis in futures trading In the most in depth comprehensive book available the bestselling investment writer demonstrates why he is one of today s foremost authorities Here is the one volume no trader should be without Jack Schwager has accomplished the rarest of feats in this book He has presented material in a way that both the professional and layman can profit from It is a must read for traders on all levels Stanley Druckenmillern Managing Director Soros Fund Management Jack Schwager s Technical Analysis is exactly what one should expect from this expert on futures The book is comprehensive thoroughly insightful and highly educational I recommend it to the beginner as well as the expert Leo Melamed Chairman Sakura Dellscher Inc Jack Schwager possesses a remarkable ability to extract the important elements of complex market timing approaches and distill that into something intelligible and useful Not only is he able to present these ideas cleverly in an easily understood format but he also demonstrates their application to the markets with clarity and precision Thomas R DeMark Author The New Science of Technical Analysis Jack Schwager s book A Complete Guide to the Futures Markets was one of the best books I have read on futures trading We give a copy of it to all our new analysts Jack s latest work Technical Analysis looks like a gold mine of information adding significantly to the existing investment literature Monroe Trout President Trout Trading Management Co Jack Schwager is one of the most important and visible figures in the futures industry today His Market Wizards and The New Market Wizards are two of the bestselling finance titles of all time Now in the latest volume in the

Schwager on Futures series Technical Analysis Schwager has created the most comprehensive guide ever for using technical analysis for futures trading What makes Technical Analysis unique besides its in depth coverage is that it is written from a trader s perspective Schwager doesn t merely cover the subject he explores what works and doesn t work in the real world of trading Contains a comprehensive guide to chart analysis written with a particular focus on trading applications Includes a separate 200 page section illustrating the use of chart analysis in the real world Details and illustrates several original trading systems Includes a self contained primer on cyclical analysis Describes popular oscillators the pitfalls in their common use and guidelines to their successful application in trading Explains the concept and use of continuous futures and compares 10 year continuous futures charts with conventional nearest futures charts for all major U S futures markets Contains a section on trading strategy and philosophy including over 100 trading tips Hundreds of charts tables and examples illustrate key points throughout while the text is written in the informative insightful and nontechnical style that has made Jack Schwager one of the most highly regarded and bestselling investment authors ever This invaluable book by one of the world s foremost authorities is destined to become the premier industry guide on technical analysis for many years to come
