## **Global Interactions 2nd Edition:**

Global Interactions in the Early Modern Age, 1400-1800 Charles H. Parker, 2010-06-23 Global Interactions in the Early Modern Age is an interdisciplinary introduction to cross cultural encounters in the early modern age 1400 1800 and their influences on the development of world societies In the aftermath of Mongol expansion across Eurasia the unprecedented rise of imperial states in the early modern period set in motion interactions between people from around the world These included new commercial networks large scale migration streams global biological exchanges and transfers of knowledge across oceans and continents These in turn wove together the major regions of the world In an age of extensive cultural political military and economic contact a host of individuals companies tribes states and empires were in competition Yet they also cooperated with one another leading ultimately to the integration of global space Cambridge IGCSE Geography 2nd Edition Paul Guinness, Garrett Nagle, 2014-10-03 Provide a key resource for your students with this revised edition for the updated 2016 syllabus 0460 This book has been carefully prepared to cover the full curriculum for the latest Cambridge International Examinations IGCSE Geography syllabus Covers the three geographical themes population and settlement the natural environment and economic development Up to date case studies from around the world ensure coverage of all the required case studies Geographical skills and geographical investigations chapters provide ideal preparation for Papers 2 and 3 Megatrends in Global Interaction Bertelsmann Foundation (ed.), 2012-07-16 We inhabit an increasingly interconnected world yet too often policymakers and advisors view each issue in a vacuum focusing primarily on short term impacts All of us policymakers citizens and local and global communities must begin to consider how the major trends that shape our world are likely to develop and how they will intersect and influence one another This volume is designed to explore and discuss correlations between these global trends or megatrends Global Governance Demographic Change and Migration Energy and Natural Resources Global Security Biodiversity and Economic Globalization The book's primary focus is to provide a qualitative overview of the trends and to analyze their intersections and interdependencies in the 21st century The authors hope it will help define some of the complex challenges and exciting opportunities to shaping a world of sustainable economies and societies **Redeeming La Raza** Gabriela González, 2018-06-15 The transborder modernization of Mexico and the American Southwest during the late nineteenth and early twentieth centuries transformed the lives of ethnic Mexicans across the political divide While industrialization urbanization technology privatization and wealth concentration benefitted some many more experienced dislocation exploitative work relations and discrimination based on race gender and class The Mexican Revolution brought these issues to the fore within Mexican society igniting a diaspora to el norte Within the United States similar economic and social power dynamics plagued Tejanos and awaited the war refugees Political activism spearheaded by individuals and organizations such as the Idars Leonor Villegas de Magn n s White Cross the Magonista movement the Munguias Emma Tenayuca and LULAC emerged in the borderlands to address the needs of

ethnic Mexicans whose lives were shaped by racism patriarchy and poverty As Gabriela Gonzalez shows in this book economic modernization relied on social hierarchies that were used to justify economic inequities Redeeming la raza was about saving ethnic Mexicans in Texas from a social hierarchy premised on false notions of white supremacy and Mexican inferiority Activists used privileges of class education networks and organizational skills to confront the many injustices that racism bred but they used different strategies Thus the anarcho syndicalist approach of Mag nistas stands in contrast to the social and cultural redemption politics of the Idars who used the press to challenge a Jaime Crow world Also the family promoted the intellectual material and cultural uplift of la raza working to combat negative stereotypes of ethnic Mexicans Similar contrasts can be drawn between the labor activism of Emma Tenayuca and the Munguias whose struggle for rights employed a politics of respectability that encouraged ethnic pride and unity Finally maternal feminist approaches and the politics of citizenship serve as reminders that gendered and nationalist rhetoric and practices foment hierarchies within civil and human rights organizations Redeeming La Raza examines efforts of activists to create a dignified place for ethnic Mexicans in American society by challenging white supremacy and the segregated world it spawned

**Schooling for Sustainable Development:** Margaret Robertson, 2012-03-14 This book Schooling for Sustainable Development A Focus on Australia New Zealand and the Oceanic Region is the product of passionate interests of teachers scholars and researchers located in diverse parts of the Australasian region Working with their colleagues within local contexts they have conducted research and gathered together information for practitioners and students interested in learning more about sustainable lifestyle practices Some of the work has taken place in remote locations and some has been in within the confines of major cities The Australasian Region brings together people and cultures that link traditional economies to global networks and lifestyles Diverse terrain politics and responses typify the region Close to Asia there are lingering ties with old European ways and cultural beliefs The major economies of Australia and New Zealand provide the lead with development practices for lesser economies such as Papua New Guinea Fiji and the many island nations scattered throughout the South Pacific This complexity is not easily represented Key issues relate to land ownership mobilities within the region and the gradual dissemination of knowledge skills and wealth The book will provide both reference material and interesting reading for teachers researchers and practitioners in interested in community based perspectives on sustainability We have learnt from each other and hope that others will benefit from our efforts
