Word Carlos Granados,Luis Sánchez-Navarro,2021-07-26 Carlos Granados and Luis S nchez Navarro propose reading the
 Bible with Christian faith not as one approach among many but as a disposition demanded by the New Testament for proper
 interpretation of both the Old and the New Even so the authors faith never leads them to dismiss history or to discard the
 tools of the historical critical method On the contrary these sciences allow the faithful reader to take a holistic approach to
 biblical truth When the reader also takes full account of the ecclesial reality in which the Bible was formed and transmitted
 and in which it must be read still today he or she encounters the word proclaimed by the text Indeed the words of Holy Writ
 ultimately proclaim the Word Logos Jesus Christ in whose Spirit they were written This book s thirteen essays are grouped
 into three parts Part I The Church Living Subject of Sacred Scripture takes up a foundational theme of the whole book sacred
 Scripture calls for a reading within the community of the People of God under the guidance of the Holy Spirit and the same
 People constitute the living subject of Scripture In Part II Christ Exegete of the Fulfillment the authors focus on the
 relationship between the two biblical testaments They argue that the Christian can both respect and venerate the Old
 Testament on its own terms even as they find in Jesus as presented in the New Testament and encountered in faith the key

for unlocking the Old Testament's deepest meaning The third and final part of this book The Teaching in Benedict XVI's Verbum Domini examines Pope Benedict XVI's 2010 post synodal apostolic exhortation on the word of God in the life and mission of the Church The authors years of shared prayer study conversation and ministry have led to this coauthored book bearing witness to that ongoing unity that they live as confreres Not surprisingly they frequently reference the same theologians especially Brevard Childs Paul Beauchamp SJ and Pope Benedict XVI *Pennsylvania School Journal*, 1923
