

Question: Critically discuss how Moshoeshoe was able to build up the Basotho nation.

Key: Introduction and Conclusion
Point
Explanation and Examples
Line of Argument

Moshoeshoe, once he had left his father's people, took a number of the Southern Sotho people into the mountains to create the Basotho people. He used diplomacy and force, when necessary, to negotiate and work with others in order to build up the Basotho nation.

Moshoeshoe used diplomacy to help in the growth of his kingdom. Moshoeshoe was a clever, loving leader who gave refugees a place to stay in the Basotho Kingdom. The Southern Sotho were united into a nation by Moshoeshoe, a leader with both military and diplomatic skills. He welcomed and protected the frightened fleeing people into his kingdom. By using diplomacy to bring refugees into his kingdom, Moshoeshoe was able to grow the Basotho kingdom's number, assisting him in building up the Basotho nation.

Moshoeshoe's diplomacy helped him to protect his people. In dealing with Kora and Griqua attacks, Moshoeshoe used diplomacy and only used force when absolutely necessary. He bought off attackers with gifts of cattle and other goods and hoped that these 'bribes' would be less of a cost to the Basotho than the lives of his people. He defended his people by moving them to Thaba Bosui Mountain to easily guard themselves from attackers as routes were few to the mountain and there was enough water to support 3000 people and animals. Moshoeshoe's diplomatic approach to dealing with foreign nations protected his people from going into an all-out war. The move to Thaba Bosui was shrewd as it protected them from large attacks. By protecting his people like this the Basotho could focus on economic growth and not worry as much about military matters.

Moshoeshoe practiced the policy of Mafisa to encourage growth in the kingdom. Mafisa is a policy in which the leader loans cattle, grain or seeds to impoverished people. These people are then able to work to generate wealth for themselves before they return the initial loan or pay a percentage of crop yields. Moshoeshoe helped refugees through Mafisa which was one of the reasons so many people chose to join the Basotho Kingdom. Mafisa not only uplifted many people but also contributed to the uplifting of the entire Basotho nation as more people were able to contribute to the development of the kingdom. It also encouraged more people to join the Basotho which helped Moshoeshoe to grow the nation.

Moshoeshoe developed a relationship with the Trekboers which he used to assist with the development of his kingdom. Moshoeshoe accepted the Trekboers into his Kingdom. He gave them the right to use land and lived peacefully with the Trekboers. He was careful not to sign any document or accept any gifts as he wanted to ensure that they did not later allege that they had bought the land.
