DeAngelis,2024-05-14 A NATIONAL USA TODAY BESTSELLER A great guide to help moms and dads take back control of their children s education from the radical Marxists ruining our schools President Donald J Trump From the leader of the online army in America s parental rights movement comes the real story of how moms and dads across the country are turning the tide against radical activists in public schools It s no secret that our government run public education system has held generations of Americans hostage The teachers unions the government s stormtroopers have been hard at work running a mass misinformation campaign to convince parents that because this is how it has always been this is how it has to be But

here's what you may not realize the parents are winning and we have entered the death spiral of the education dictatorship. The school choice revolution is here and moms and dads are successfully restoring parental rights in education one state one school district at a time. In *The Parent Revolution* Dr. Corey A. DeAngelis, public enemy #1 of the teachers unions, takes readers inside this movement like no one else can. As Vox reported in late 2023, DeAngelis has become the public face of the effort traveling from state to state holding rallies, making media appearances, and tweeting constantly. Or, as another education voice put it, "No one in education policy advocacy or activism has ever lived rent free in more heads at once than Corey DeAngelis." As America's most prominent and influential advocate of school choice, DeAngelis unapologetically argues why parents and political leaders must lean into the culture war taking place in schools. He exposes the hypocritical elites who are content to hold other people's children captive to poorly run government schools while sending their own children to the best private and charter schools out there. And most importantly, he equips readers with the ability to make sure the potent forces of the educational industrial complex don't regain their footing.

Forgiving the Church Judy R. De Wit, 2011-11-22

How do I forgive the church is an interesting question. Many ask it. Many can't answer it. Abuse by a church leader is horrendous and evil. It often goes outside of anything we ever thought or imagined a pastor or church leader could do. The very persons we thought we could trust betray by abusing. Are you familiar with what abuse in the context of the church looks like? Child sexual abuse, sexual assault, physical and emotional abuse, breaching confidentiality, undue influence, fraud, defamation, and clergy malpractice are some examples. When trust is betrayed because of wrongful behavior by a church leader, confusion, harm, and anger set in. Faced with the effects of abuse, a victim is torn about how to recover and heal. Sleepless nights, fears, anxiety, depression, self-esteem issues, fatigue, low energy, and irritability are all common symptoms of abuse. Because of the abuse relationship, issues, fears of intimacy, family problems, and shame are thrust into the victim's life, and she struggles with how to handle the problems. Pair that up with the abuser being a church leader, and the entire process for recovery, healing, and forgiveness exceeds most people's understanding. Life that was once simple and good now becomes something that is nearly impossible to handle. *Forgiving the Church* helps church leaders, church members, and faith communities understand what abuse looks like and how churches have a responsibility to help victims forgive. It provides stories and examples of how the church abuses and gives ideas for how to help victims begin the process of forgiveness. Although it is the victim's responsibility to forgive the church, should take specific actions to help ensure a greater possibility that the victim can begin the forgiveness process. Church leaders, this book will help you understand abuse in the church and what you should do to help victims begin the process of forgiveness. Victims, this book will help you begin to understand how you can start the forgiveness process when you've been abused by the church.
