**Charlotte Brontë's Jane Eyre: the Study Guide Edition** Francis Gilbert, 2015-10-18 A great teacher Jeremy Paxman BBC s Newsnight Clearly Francis Gilbert is a gifted and charismatic teacher Philip Pullman author of Northern Lights Gilbert writes so well that you half suspect he could give up the day job The Independent Are you a student struggling to understand Brontë s classic novel Jane Eyre Or are you an English teacher wanting ready made exercises and guidance to help you teach this difficult text Do your students need support to understand the language properly and work independently on the book This edition of Brontë s classic novel

contains a comprehensive study guide to the work as well as extensive questions for students to work on in order to help their understanding. Aimed specifically at students and teachers reading the book as an exam text, there is an extensive introduction which outlines the historical context of the novel, the ways in which it was influenced by the Gothic genre, and how it is structured. The complete text is punctuated by useful comments and questions on every chapter. These questions are of differing types: there are comprehension questions, questions which will provoke more in-depth analysis, and questions which will require students to respond creatively to the novel. At the end of the book is a section on how to write successful essays. When you buy the paperback, you will be able to access the e-book for free and use many of the web links which are embedded in it. What's really great about this edition is that my students can work through it and there are interesting and useful questions waiting for them at the end of every chapter.

a secondary English teacher. This was a good book to work through on my own. Buying the paperback meant I got the e-book free and I was able to use all the nifty links embedded in the text as well.

**Study Guide: Jane Eyre** Vincent Verret, 2018-02-10

Master the material and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers as it produces true mastery of content knowledge and book details. Other study guides simply give basic details of the novel, meaning that students read over material without digesting or learning it. Other study guides take complex themes, concepts, and information and just regurgitate it to readers. This Study Guide series is different. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading. Designed under the guidance of an experienced and credentialed instructor, this study guide series GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide in the user's own words. Filled with guided reading activities, students are able to fill this guidebook with their own information. If you read it, write it, and reflect on it, you will learn it. Teachers, you can also purchase a set of these books or one book and make copies for your entire class. It makes the perfect guided reading activity and will teach students how to internalize the reading, note-taking, and learning process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning.
