 Al Gini,2017-07-25 When E B White said analyzing humor is like dissecting a frog few people are interested and the frog dies he hadn t seen Al Gini s hilarious incisive and informative take on jokes joke telling and the jokers who tell jokes For Gini humor is more than just foolish fun it serves as a safety valve for dealing with reality that gives us the courage to endure that which we cannot understand or avoid Not everyone tells jokes Not everyone gets a joke even a good one But Gini argues joke telling can act as both a sword and a shield to defend us from reality As the late great stand up comic Joan Rivers put it If you can laugh at it you can live with it This book is for anyone who enjoys a good laugh but also wants to know why *Disquiet, Please!* David Remnick, Henry Finder,2010-03-09 The New Yorker is of course a bastion of superb essays influential investigative journalism and insightful arts criticism But for eighty years it s also been a hoot Now an uproarious sampling of its funny writings can be found in this collection by turns satirical and witty misanthropic and menacing From the 1920s onward but with a special focus on the latest generation here are the humorists who have set the pace and stirred the pot pulled the leg and pinched the behind of America The comic lineup includes Christopher Buckley Ian Frazier Veronica Geng Garrison Keillor Steve Martin Susan Orlean Simon Rich David Sedaris Calvin Trillin and many others If laughter is the best medicine *Disquiet Please* is truly a wonder drug *The Rock Bible* Henry Owings,2015-02-10 Like Moses delivering forth the Ten Commandments Chunklet magazine presents you with The Rock Bible the complete rules for living an authentic life of rock n roll Here are hundreds of wise and witty guidelines for Drummers If you re one of those drummers who sets up at the front of the stage back the hell up You are the goalies of rock play your position Singers When you feel like stage diving first make sure the people in the front like your music enough to catch you Guitarists No one s looking at your guitar strap Don t ever spend more than the cost of an average meal on something that can be replaced by a particularly hearty piece of string Keyboardists There s only one person who will look more ridiculous and offensive in leather pants than the lead singer the keyboard player Onstage Antics Being wasted onstage works for only about 5 percent of bands and yours isn t one of them Fans Fans that dress like the band are just asking to be pummeled If you want to be in the band that badly you might as well bring your gear to the show and play along from the audience And unholy words on much much more Casino Confidential Anonymous,2015-11-24 In *Casino Confidential* a veteran pit boss and dealer who must remain anonymous takes readers behind the scenes to show where casinos are most vulnerable and which bets are simply a waste of money Through

chapters on blackjack Texas hold em roulette craps baccarat slot machines and more readers will learn Basic strategy for the most popular casino games Five keys to successful gambling Tips for identifying and maintaining positive streaks Advice on money and bankroll management and much more Along the way Anonymous shares examples and anecdotes gleaned from a career working as a pit boss and keeping high rollers under his thumb You ve been told again and again that the odds are stacked against players but that doesn t stop thousands of gamblers from winning big every day Discover what they all have in common and what the house doesn t want you to know in *Casino Confidential*
