J. Donnelly,2022-11-11 *Voices* tells of a world where lives are adrift in a sea of flames Such an atmosphere of dancing human remains may be hard to imagine unless it's been lived Like firebrands streaking through a black night sky Spirit things can seem a fantasy to a casual eye As for the tellings in this book they're not a glimpse aEUR but a deep gaze and the encounters of a human soul Born far apart Sue and Bob's lives began as fairytales aEUR but as fairytales will do their dreams bled out and soaked the ground Broken homes drugs alcohol and a confused moral compass led them down treacherous paths Then in 1973 while drifting through the universe their twisting paths collided one day in the dark Bob was a violent atheist who professed he was god Sue who once aspired to be a Nun now dabbled in mysticism in her parched thirst for truth Then came the days of the Valiant ones who laid siege to our Kingdom for four months Two months in Sue prayed through the night aEUR and when I learned of it I threatened her life God then showed her in a dream my soul now completely void of light and as she watched giant soulless birds began devouring me Two weeks later and close to death alone in my room I prayed and once I asked for forgiveness a voice above me spoke So the days of my dying ended aEUR for the days of miracles had now begun This is a true story *The American Encyclopaedic Dictionary* ,1896 **Broken: The Edge of Insanity** Samuel Alexander,2017-02-12 He found love too late and now his mind can't let go of something that never was **Say It With Ink** C.C. Dado,2015-12-02 The Seattle Chronicles Levi can remember the exact moment the projection of his life changed entirely from homeless dropout to college graduate It

was the day he found Jamie Donovan standing on his front porch the boy Levi had secretly drooled over from afar would become the best friend he secretly drooled over up close When Levi gets a full ride scholarship but Jamie doesn't Jamie becomes an exotic dancer to help pay his tuition Watching Jamie perform is pure torture for Levi and hiding how he really feels starts to take its toll And when the hot new guy from his Econ class hits on him Levi has to decide just how long he's going to stay devoted to his straight best friend

The Ranch Chris Peck, 2013-10 This book and its author grew up together The 1960s in America transformed everyone who lived through this amazing time in our nation's history Civil rights laws were fought for and passed women began to find a voice and break down barriers Immigrant workers and Native Americans raised their voices We became a smarter more aware nation for a while The Vietnam War became a symbol of those times The music helped define us and the illegal use of banned substances gave some of us the temporary courage to face the insanity head on The ranch is a mostly accurate first person account of one young man's strange journey from gung ho high school student to landing himself in the middle of the world's most dangerous navy Our hero slowly evolves into a war resister who gets into the exact amount of trouble to get assigned to a horse ranch in the U S Navy There are a few rants that I included for mostly therapeutic reasons and several well chosen fits of profanity that help to paint the military experience as it was and I believe still is to this day I consider this book funny and thoughtful but then I'm severely prejudiced I wrote this back cover account myself because George Carlin and Joseph Heller had busy schedules in the afterlife and I don't know Sara Silverman yet The Ranch is my first attempt at being considered a writer I have plans to write a second book which will document my experience as a telephone man in Northeast New Jersey There will be plenty of danger sex drugs and rock and roll with a hint of The Sopranos so don't spoil my enthusiasm and buy this book Thanks America
