## Life Skills

What does being independent mean? Being independent means that you have the skills necessary to take care of yourself and to live on your own, to the best of your ability. No matter what your capabilities are, it is possible to achieve some level of independence as an adult. Keep in mind that the better you can learn to take care of yourself when you are young, the better off you will be as an adult. Thus, you want to constantly strive to learn the necessary skills to help you become independent.

1. What does it mean to be independent?

True or False

2. \_\_\_\_\_ We are all capable of achieving some level of independence as an adult.
3. \_\_\_\_\_ If you learn to take care of yourself, you will be better off as an adult.
4. \_\_\_\_\_ You should not worry about learning independent skills, until you are an adult.

Why is learning to be independent so important? We will all become adults one day and when we do, we will need to have the skills to survive and to succeed on our own. We can't always depend on our parents or others to support us and to take care of things for us. Also, when we learn to do things by ourselves, it makes us feel good. It makes us feel proud and it will boost our self-esteem. Those who are independent, are happier and live a more rewarding life. This is because independence allows them to have the freedom to control their own destiny.

5. When we become adults, we need to have the skills to survive and to \_\_\_\_\_ on our own.

6. When we learn to do things by ourselves, it makes us feel \_\_\_\_\_.

7. If you are independent, you have the freedom to control your own \_\_\_\_\_.
