Muskegon, MI. 49445

To Whom It May Concern,

This letter of recommendation is to the Michigan Parole Board on behalf of Michael Johnson 159608. My name is Randy Martinus, a twenty-seven year retired employee of the Department of Corrections. I would like to influence the board in their decision to give Michael an opportunity to return to society after his many years of incarceration.

My contact with Michael during his incarceration has always been professional and within the guidelines of staff/client relationship. Through his years of incarceration I watched Michael grow into a genuine and honest person, one of true character. He demonstrated a desire to improve himself through the many programs that the Muskegon Correctional Facility offered. He used his skills and intelligence to maximize his potential, while working under assignment of the department I supervised. His record while incarcerated speaks for itself; he is what he appears to be which is consistent and productive.

I think it is significant that Michael has taken many steps to improve his understanding of the crime he committed as a teen. He accepts that what he did was wrong and he takes full responsibility for his actions. He has taken steps to mend his wrongdoing with the family of the offended and with himself. Michael's strong ties and support from his family are also important factors in his consideration for parole.

I feel very strongly that Michael has demonstrated to the Department of Corrections and to the Michigan Parole Board that he should be released back into society. He has my full support.

Thank you for your consideration in this matter.

Very Truly Yours,

*Randy Martinus*
