Friedeman, 2023-07-25 Christianity Today 2024 Book Award Academic Theology In Titus Paul says Christ redeemed a people zealous for good works Despite this declaration and others like it the doctrine of good works has fallen on hard times in contemporary Protestant theology and practice At best it's neglected as in most systematic theologies and in too much church teaching At worst it s viewed with suspicion as a threat to salvation by grace alone through faith alone In this important work addressing a significant gap in current theological literature the authors argue that by jettisoning a doctrine of good works the contemporary church contradicts historical Protestantism and more importantly biblical teaching They combine their areas of expertise exegesis systematic and historical theology and practical theology to help readers recover and embrace a positive doctrine of good works They survey historical Protestant teaching to show the importance of the doctrine to our forebears engage the scriptural testimony on the role of good works formulate a theology of salvation and

In Defense of Doctrine Rhyne R. Putman, 2015 In Defense of Doctrine is an apologetic for the ongoing constructive theological task in Protestant and Evangelical traditions It suggests that doctrinal development can be explained as a hermeneutical phenomenon and that insights from hermeneutical philosophy and the philosophy of language can aid theologians in constructing explanatory theses for particular theological problems associated with the facts of doctrinal development Joining the recent call to theological interpretation of Scripture Putman provides a constructive model that forwards a descriptive and normative pattern for reading Scripture and theological tradition together Library Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s The Minister's Library Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies Rethinking Holiness Bernie A. Van De Walle, 2017-03-14 Holiness is experiencing a renaissance both within and beyond the church today Based on years of conversations with students this approachable theological introduction to the Christian doctrine of holiness challenges the commonly held idea that holiness is primarily a moral category. The author explains that holiness is grounded not in ethics but in the basic nature of God it is essentially and exclusively a divine property The book highlights the Bible's necessary and corrective role in defining holiness and shows how individual holiness is grounded in the community that is the church Work R. Keith Loftin, Trey Dimsdale, 2017-10-30 Moving from biblical theology to systematic theology to catholic practical theology Work Theological Foundations and Practical Implications offers a comprehensive theology of work With contributions from a variety of leading theologians including Miroslav Volf and Samuel Gregg this book brings together biblical scholars ethicists economists representing a spectrum of theological voices It will bring a new academic depth to the literature on the theology of work and provide a comprehensive single volume resource for scholars and students alike

Putman,2020-04-22 An Excellent Study on Christian Unity and Doctrinal Diversity This helpful book will encourage Christians to hold their convictions with greater irenicism humility awareness and wisdom Gavin Ortlund Senior Pastor First Baptist Church of Ojai author Finding the Right

Hills to Die On As evangelicals we desire to be biblical we want our doctrine to be rooted in the Bible our lives to be guided by the Bible and our disagreements to be resolved by the Bible And yet conflicts within our church communities continue to appear and seemingly multiply with time Interpretations of the Bible and deeply held convictions often put Christians at odds Encouraging us toward grace in disagreement and firmness in truth Rhyne Putman reflects on how Christians can maintain the biblical call for unity despite having genuine disagreements
