Halverson,S. Aqeel Tirmizi,2008-06-06 Multicultural and multinational teams have become an important strategic and structural element of organizational work in our globalized world today These teams are demonstrating their importance from the factory floors to the boardrooms of contemporary organizations The emergence of multicultural teams is evident across a variety of organizations in the private public and civil society sectors These developments have led to an increasing interest in the theory and practice of multicultural teams Management educational and training programs are giving increasing attention to these developments At the same time there is emerging interest in research about and study of multicultural teams This book emerged from our teaching research and consulting with multicultural and diverse teams in multiple sectors over the last several years In particular we have developed and refined our ideas about the concepts in this book from teaching an advanced course called Effective Multicultural Teams in the Graduate Program at the School for International Training SIT in Vermont We have learned from the rich background of students who

are from and have worked in six continents and who are or plan to be working in the public educational not for profit and for profit sectors Additionally we have engaged with a variety of teams through our consulting and training providing consultation to teams in a variety of sectors and continents as they struggled to become more effective
