[The 9 Arts of Spiritual Conversations](#) Mary Schaller, John Crilly, 2016-05-01 Love God love people Could evangelism really be that simple Often it doesn't seem so It can feel scary awkward and uncomfortable as we try to navigate loaded questions and different perspectives Even the most faithful of believers sometimes get stumped But can you imagine if we as Christians simply spent time with people who are far from God and provided a safe place to talk about spiritual matters If we listened to them and discovered what was really important to them After all it's what Jesus did And it's what you can do too Drawing straight from the life and ministry of Jesus *The 9 Arts of Spiritual Conversations* offers simple practices to help you build relationships with people who believe

differently Anyone who has read and appreciated *Becoming a Contagious Christian* or *Just Walk across the Room* won't want to miss this book on creating a safe space to have natural loving and spiritual conversations with others

**Social Justice Goes To Church: The New Left in Modern American Evangelicalism** Jon Harris, 2020-10-06 The infusion of social justice into the gospel may well be the most dangerous problem facing the church today Yet it is going unnoticed in far too many circles *Social Justice Goes to Church* can serve as a wake up call Samuel C Smith Ph D Chair and Graduate Program Director Department of History Liberty University In order to understand why so many evangelicals recently support left leaning political causes it is important to know a little history In the 1970s many campus radicals raised in Christian homes brought neo Marxist ideas from college back to church with them At first figures like Jim Wallis Ron Sider and Richard Mouw made great gains for their progressive evangelical cause But after the defeat of Jimmy Carter the religious right stole the headlines Today a new crop of mainstream evangelicals has taken up the cause of the New Left whether they know it or not As pro life evangelicals rush to support movements like BlackLivesMatter and MeToo it is important to realize they are walking in footprints already laid down Their mission may be more successful but it is not new To understand where the evangelical social justice movement is heading it is vital to understand the origins of the movement *Social Justice Goes to Church: The New Left in Modern American Evangelicalism* answers from a historical perspective the vital question Why are American evangelicals moving Left The great injunction to the Church was to preach the Gospel to the world while not being of the world Social justice neatly reverses this trend preaching the ways of the world into the church That is not its only critical reversal The Gospel is about freedom from guilt and sin and bondage Social justice seeks above all to apportion guilt and sin and bondage enslaving entire demographics and requiring that they kneel before man in attrition How important that a book of this nature should enter the fray right now I applaud Mr Harris for his excellent work in providing the practical means of identifying and repelling this fraudulent force this ideological interloper this dangerous false teaching Douglas Kruger Author of *Political Correctness Does More Harm Than Good* How to Identify Debunk and Dismantle Dangerous Ideas

*The Ultimate Donor* Jack Anderson, 2023-12-11 Using heart transplantation as a metaphor *The Ultimate Donor* illustrates what God has done for humanity through the death of Jesus The paths of becoming a follower of Christ and a heart transplant recipient are similar As with heart transplant recipients followers of Christ experience times of diagnosis knowledge of their sick heart transplantation replacing their sick heart with the heart of Christ and living the post transplant life the disciplined life with their new heart Every heart transplant demands the death of a donor Fortunately there is an Ultimate Donor

*Redeeming Your Time* Jordan Raynor, 2023-09-26 Manage your time the way Jesus managed his with a biblical antidote to swamped to do lists and hurried schedules A highly practical road map Mark Batterson New York Times bestselling author and lead pastor of National Community Church Despite the overwhelming amount of resources for time management and work life balance the ability to cultivate the efficiency and equilibrium needed to manage all our worthy pursuits can often

feel frustratingly out of reach The reason for our struggle is that productivity and time management systems focus on individual habits rather than more meaningful and lasting lifestyle changes But as it turns out there is a better way to reach our full potential We don't need just another approach to changing our habits What we need is an operating system that takes into account the full scope of our lives In these pages bestselling author Jordan Raynor presents this system using seven powerful time management principles drawn from the example of how Jesus lived

- 1 Start with the Word Find meaningful connection with the author of time daily
- 2 Let Your Yes Be Yes Accept only the commitments you can fulfill
- 3 Dissent from the Kingdom of Noise Create room for silence stillness and reflection
- 4 Prioritize Your Yeses Confidently maintain your commitments
- 5 Accept Your Unipresence Focus on one important thing at a time
- 6 Embrace Productive Rest Live the God designed rhythms of rest which are productive for our goals and souls
- 7 Eliminate All Hurry Embrace productive busyness while ruthlessly eliminating hurry from our lives

With these principles you'll see how Jesus managed his time on earth and how he responded to human constraints much like the ones you face today More than that you'll discover corresponding practices that will help you embrace the best most Christlike version of yourself possible purposeful present and wildly productive

**The Carpenter's Son** Ron W. Simmons, 2017-08-09 What is humanity's ultimate destiny Could there be life beyond the grave What is genuine spirituality These questions and many more are answered by a carpenter's son Jesus born in ancient Judaea two thousand years ago He healed thousands yet never received medical training He taught in streets homes and temples yet never achieved scholarly status He demanded perfection yet chose the imperfect to follow him He spoke of the arrival of an eternal kingdom yet he never ran for political office or led a nation He spoke of peace and love yet led the greatest counter revolutionary effort in human history Despised by his critics and revered by society's lowest members Jesus still speaks to our deficiencies as well as our weaknesses and assures a redemption we could never achieve on our own Out of an original rebellion we all face a self imposed defeat by pointlessly attempting to establish our own kingdoms despite confronting the same abysmal fate Yet God has achieved the greatest comeback in history by conquering death and in doing so has prepared for us a victory we could not possibly imagine for to lose all is to gain all

Jesus Christ     *Hope in Times of Fear* Timothy Keller,2021-03-09 The Resurrection accounts of Jesus in the Gospels are the  
most dramatic and impactful stories ever told One similarity unites each testimony that none of his most loyal and steadfast  
followers could see it was him back from the dead The reason for this is at the very foundation of the Christian faith She  
turned around and saw Jesus standing there but she did not realize that it was Jesus John 20 14 *Hope in the Time of Fear* is a  
book that unlocks the meaning of Jesus s resurrection for readers Easter is considered the most solemn and important  
holiday for Christians It is a time of spiritual rebirth and a time of celebrating the physical rebirth of Jesus after three days in  
the tomb For his devoted followers nothing could prepare them for the moment they met the resurrected Jesus Each failed to  
recognize him All of them physically saw him and yet did not spiritually truly see him It was only when Jesus reached out and  
invited them to see who he truly was that their eyes were open Here the central message of the Christian faith is revealed in  
a way only Timothy Keller could do it filled with unshakable belief piercing insight and a profound new way to look at a story  
you think you know After reading this book the true meaning of Easter will no longer be unseen     *Walking with God
