Peddle,William S. Peirce,2020-07-07 This is the first fully annotated edition of Social Problems 1883 and The Condition of Labor 1891 two important works by one of America's most popular social economists Social Problems grew out of a series of articles Henry George 1839 1897 published in Frank Leslie's Illustrated Newspaper titled Problems of Our Times In his passionate journalistic style George described in graphic detail the horrific conditions facing large sections of the American people and how by returning to first principles society could remedy these conditions for current and future generations The Condition of Labor takes the form of an open letter to Pope Leo XIII in response to the pontiff's famous encyclical Rerum Novarum Echoing the religious themes dominant throughout all of his works George argued that poverty is not part of God's natural order and therefore could be eradicated through political action Both Social Problems and The Condition of Labor demonstrate George's deep commitment to the reconciliation of ethics and economics in such a way that makes the world richer ethically and better off economically **Phase I, Existing Unemployment Compensation Programs ; Phase II, Extending Temporary Benefits** United States.
