

REFLECTION GAME RULES

2 to 4 players.
Ages 10 and up.

Object:

Score the most points after ten rounds of play to win the game.

Setup:

Choose one player to keep score throughout the game.

Shuffle the cards and place them next to the board. Place a new card on the board after every challenge has been solved.

Each player chooses a token.

Each round of play begins when a new challenge card is placed on the board. The oldest player starts the game. After the first round, players take turns moving clockwise placing a new challenge card on the board each time.

Please note: The first time Reflection is played, the protective film must be removed from the mirror.

Playing the Game:

Each challenge card features spheres that are either red, yellow, blue or green with lines intersecting through them. Each line serves as an axis on which the mirror is placed to score points.

When the challenge card has been placed on the board, players view how the spheres are arranged. Each player must choose an axis line they believe will score the most points.

Once a player has decided upon an axis line, he/she places his/her token in the corresponding hole (there is only one per line) and reserves that position as his/her own.

Contents:
Game Board
60 challenge cards
1 mirror
4 tokens
