Resource added for the Landscape Horticulture Technician program 100014 **Keep the Sparks Alive by Using Plain Common Sense** Lovia Joann Pitts,2012-11-08 This book is designed to help couples to value and appreciate what he or she has For years women were taught to downplay their sexuality and femininity This false image of being a good girl or to being a devoted Christian caused numerous women to downplay their intimate desires towards their spouse However some teachings provided were not accurate information My goal is to empower women to know it is okay to embrace their sexuality and creative skills to obtain knowledge Gods Woman could be the PTA president a sexy and classy woman and a committed dedicated wife that knows who she is A male could show their emotions and still be masculine We believe a marriage could be compared to a diligent farmer and gardener who care for a beautiful harvest that reaps a bountiful harvest in contrast to a gardener and farmer who is neglectful that does very little work yet expects a bountiful harvest watch it deteriorate Just as a rose garden in its beauty has to be watered nurtured cultivated and pruned in order to reap the results of a beautiful garden so it is with ones marriage This book also contains a list of questions that should be asked during the dating stage when the couple believes their relationship is growing to a higher level of commitment The practical common sense tips in this book are nothing new They are plain common sense steps which needs to be implemented by each mate Your marriage will be no more or no less than what each individual is willing to make it Viewing one another as being on the same winning team is paramount We recognize our differences but instead of seeing them as negatives we hold dear to them as being positive factors that contributes creativity to our marriage We build upon one another strong points We do not claim to have a perfect marriage whereby we can say that we never had an argument or said words that we had to ask forgiveness for however we continue to grow and learn from challenges and turned them into triumphs Peace Unity and Love **A Book about Roses how to Grow and Show Them** Hole,1874 [I Prayed for Love-My True Love](#) Mt. Tee,2023-01-18 As Mt Tee mentioned in his first book titled One Man s Love for One Woman all songs and poems were inspired by a recent breakup in his life These books which he titled I Prayed for Love and My True Love is a continuation of the said relationship between him and the woman he has loved the deepest in his life and who he still loves till this day He did everything he could do to make her happy and everything he could do to remain in her life A true story of one man s love for one woman that went astray Mt Tee still thinks of the woman as each day passes The memories of the love he feels for this woman keep him tied to the feelings he has This two books in one will show the mixed feelings a relationship can cause when you love someone more
