

Simply the best 12 foot sailboat ever built.

The Johnson Mini-Score has no competitors. We took the best features of many small sailboats, plus some great ideas of our own, and combined them to build the perfect boat. It is simple, easy to sail, and fun to sail. It is the best standing rig with a balanced hull and makes sailing a breeze. The attention to detail is unequalled, from the padded hiking straps, to the white vinyl protective hull coating and Harken coils. Whether you're a first time sailor or an old salt, you'll agree, the Johnson Mini-Score is simply the best!
