Inclusion Lesson Plan Book for the 21st Century Toby Karten, 2011. This Teacher Training Edition is for use by both instructors and their students in training sessions on inclusion practices. It is specifically designed for college professors and staff trainers who teach lesson planning skills as part of their pre-service or in-service courses. The content parallels the original Inclusion Plan Book but is organized for training purposes and includes professional activities to examine inclusion practices for whole class, small groups, and individual students. It contains additional downloadable forms for inclusion documentation and online resources that are valuable tools for any teacher in training staff development program. Purchase multiple copies for your in-service professional learning experiences or have your college bookstore order copies for students taking your inclusion course.

Cursive Writing Activities Susan Collins, 2006-09-26. Help students master important handwriting skills. Activities allow students to practice letter formations as they develop skills in writing sentences and paragraphs, creative writing, and everyday writing.

Social Skills Activities for Special Children Darlene Mannix, 2014-04-14. A flexible, ready-to-use program to help special students in grades K-5 learn appropriate ways to behave among others. The revised and updated second edition of this bestselling resource book provides ready-to-use lessons complete with reproducible worksheets to help children become aware of acceptable social behavior and develop proficiency in acquiring basic social skills. The book is organized around three core areas crucial to social development in the primary grades: Accepting Rules and Authority at School, Relating to Peers, and Developing Positive Social Skills. Each lesson places a specific skill within the context of real-life situations, giving teachers a means to guide students to think about why the social skill is important. The hands-on activity that accompanies each lesson helps students to work through, think about, discuss, and practice the skill in or outside of the classroom.
