first light to the dark of night Woolf achieves an uncanny simulacrum of consciousness bringing past present and future together and recording impression by impression minute by minute the feel of life itself This edition is collated from all known proofs manuscripts and impressions to reflect the author s intentions and includes a catalog of emendations an illuminating introduction and endnotes by the distinguished feminist critic Elaine Showalter and a map of Mrs Dalloway s London For more than seventy five years Penguin has been the leading publisher of classic literature in the English speaking world With more than 2 000 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators The Annotated Memoirs of Ulysses S. Grant (The Annotated Books) Ulysses S. Grant,2018-12-04 With kaleidoscopic trenchant path breaking insights Elizabeth D Samet has produced the most ambitious edition of Ulysses Grant s Memoirs yet published One hundred and thirty three years after its 1885 publication by Mark Twain Elizabeth Samet has annotated this lavish edition of Grant s landmark memoir and expands the Civil War backdrop against which this monumental American life is typically read No previous edition combines such a sweep of historical and cultural contexts with the literary authority that Samet an English professor obsessed with Grant for decades brings to the table Whether exploring novels Grant read at West Point or presenting majestic images culled from archives Samet curates a richly annotated highly collectible edition that will fascinate Civil War buffs The edition also breaks new ground in its attack on the Lost Cause revisionism that still distorts our national conversation about the legacy of the Civil War Never has Grant s transformation from tanner s son to military leader been more insightfully and passionately explained than in this timely edition appearing on the 150th anniversary of Grant s 1868 presidential election *The Soul* Paul Ham,2025-08-05 Wonderfully entertaining Michael McGirr Sydney Morning Herald I am absolutely in awe of this book Hugh Mackay AO Almost everyone thinks they have one but nobody knows what it is For thousands of years the soul was an organ an entity something that was part of all of us that survived the death of the body and ventured to the underworld or to heaven or hell The soul could be saved condemned tortured bought And then mysteriously the soul disappeared The Enlightenment called it the mind And today neuroscientists demonstrate that the mind is the creation of the brain The religious soul lives on in the minds of the faithful while the secular soul means whatever you want it to mean In *The Soul A History of the Human Mind* critically acclaimed historian Paul Ham embarks on a journey that has never been attempted to restore the idea of the soul to the human story and to show how belief in and beliefs arising from the soul mind have animated and driven the history of humankind The Soul is much more than a mesmerizing narrative and uniquely accessible way of explaining our story It transforms our understanding of how history works It persuasively demonstrates that the beliefs of the soul mind are the engines of human history *The Greenhill Dictionary of Military Quotations* Peter G Tsouras,2020-05-18 An authoritative compilation of military history quotes from 2000 BC to the present

**Shooting the Messenger** Paul Moorcraft,2011-10-31 Wars have dominated politics since history began In the modern era most of what the media reports on foreign conflicts comes from a small band of war correspondents As the furore over the Iraq Afghan and now the Libyan wars demonstrates Western governments and militaries often collude to keep their voters in the dark about the causes and the conduct of wars waged in their name In this entertaining and unspun account of modern war reporting the authors ask whether the media itself drives democracies to war Or does it serve to constrain evil ignorant and messianic leaders Are the heirs of William Howard Russell the first modern war reporter watchdogs or lapdogs In the age of Wikileaks and corrupt media empires what is the political impact of war correspondents Are they the heroes or harlots of their profession
