Hart, 2009-01-14 *Film and Sexual Politics* A Critical Reader features a variety of noteworthy critical essays that explore the evolution representation and social construction of sex gender and sexual orientation from the early days of cinema to the early twenty first century This collection investigates the complex relations between film form style and sexual politics past and present as well as the ideological and social ramifications of those relations for the lived realities of individuals in the United States over the course of the twentieth century and beyond Contrary to popular perceptions of films as relatively simplistic forms of entertainment the essays in this collection demonstrate clearly how the act of producing meaning through the use of cinematic verbal and visual signs is far from a simple process with negligible historical consequences This book offers insightful and satisfying reading to established and emerging scholars who explore film history theory and criticism as well as to all readers with a general interest in film history and the effects of cinema on individuals and popular culture The range of films analyzed includes *Being John Malkovich* *Citizen Kane* *Elizabeth* *Female Perversions* *From Here to Eternity* *Gidget* *The Incredible Shrinking Man* *Jackass the Movie* *The Matrix* *Maurice* *My Own Private Idaho* *Porcile* *The Road to Ruin* and *Wilde* **Best Gay Love Stories 2006** Nick Street, 2006 Featuring some of the leading gay writers who present new stories of gay love and longing this collection includes some of the hottest names in the genre **RODEO STORIES** Chimp Robertson, 2014-10-07 What a creative idea Chimp Robertson has put together an anthology of rodeo stories from the famous and not so famous Each story was written by the individual rodeo rider and ranges from flat out funny to pathos to glad that wasn't me to Every story sits tall in the saddle on its own merits but put them all together and Chimp has created a fireside reader that will keep you entertained for hours a great book to travel with

Watching Porn Lynsey G,2017-06-06 Lynsey G is an intrepid explorer boldly going where few reporters have gone with such a critical eye deep inside the real world of commercial sex Tina Horn host of the Why Are People Into That podcast Lynsey G never imagined that she would ever work in porn but at twenty four years old with a degree in English literature and an empty bank account she found herself reviewing the film East Coast ASSault for an adult magazine in New York City One interview later and it was official she was a porn journalist The job was supposed to be temporary just a paycheck until

she could spark her legitimate writing career but she loved it and spent nearly a decade describing the nuances of money shots and the effectiveness of sex toys As both a porn consumer and a porn critic she was not quite an insider not quite an outsider but came to know the industry intimately She found it so fascinating that she co founded WHACK Magazine Finally she had a platform to voice her thoughts and observations of the adult film world as well as educate the rest of us about what really goes on behind the scenes Eventually Lynsey was thrust back into the real world but not before realizing that one of the most diverse and nebulous and profitable industries on the planet isn t so quite as different from the rest of the world as she thought Tantalizing eye opening and witty Watching Porn is a provocative book about an average girl s foray into the porn industry and the people who make it what it is both in front of and behind the camera Marvelous The New York Times Book Review
