**Topic**

1. Suggest a simple question or hypothesis for the students to explore in their investigation.

*Has the impact of natural disasters in... increasing the number of people...*

The first part of this response is good although there is a bit of a mix of words to show that, which could be improved by using the same words and giving a clearer link for the point. The second part of this response is good as it shows the link and the comparison with another 1 mark.

Do not leave things unsimplified. Having more than one point is important in this type of question.

1. Suggest a simple question or hypothesis for the students to explore in their investigation.

*Has the impact of natural disasters in... increasing the number of people...*

The first part of this response is good although there is a bit of a mix of words to show that, which could be improved by using the same words and giving a clearer link for the point. The second part of this response is good as it shows the link and the comparison with another 1 mark.

There is a linking word (therefore) and the words are good, although there is a bit of a mix of words to show that, which could be improved by using the same words and giving a clearer link for the point. The second part of this response is good as it shows the link and the comparison with another 1 mark.
