Tessmer, Meghan Beecher, Michelle Hagen, 2011-04-22 Features fun kid friendly activities to get them moving A positive and safe plan for lifetime weight management Concerned about your child's weight This practical guide provides effective strategies for improving nutrition increasing physical activity and dealing with weight issues at home and in the classroom You'll see how to change your family's lifestyle help your child make healthier choices and stick to them and foster a lifetime commitment to health and fitness Discover how to Introduce good eating habits Keep your family fit and active Prepare healthier meals Maintain your child's weight loss Find outside professional support Fix over 30 tasty recipes The Path: Leveraging Operations in a Complex and Chaotic World Shridhar Lolla, 2013-06-11 Experts have called the current pattern of rapid and unpredictable changes in business conditions as the New Normal In order to lead in these conditions it is critical to constantly innovate business at an ever faster pace And to obtain the desired responsive capabilities organizations significantly rely on a process or function called operations They are therefore under an increasing pressure to make Operational Excellence central to their core strategy In their aspirations to achieve superlative operational performance organizations have often rushed to adopt a large variety of tools and techniques However a vast majority of attempts to cut and paste such tools and techniques has made their journey painful exhausting and costly Not surprisingly over 70% of well intended initiatives to achieve breakthrough performance in operations have either stopped midway or given suboptimal results The Path presents a way to achieve dramatic growth on an ongoing basis without taking costly trade offs and burn outs It emphasizes that dealing with the New Normal is not so much about running after an overwhelming number of improvement skill sets rather it is about improving the process of improvement itself According to the book an organization of a reasonable size has enough intuition experience and logic to figure out its own way of Operational Excellence It shows that in today's environment an actionable approach of learning by doing provides a strong option for achieving rapid yet sustainable growth The book is set in an operational warzone and it describes the saga of teams in dealing with the New Normal Since intuition and emotions are hallmark of day to day operations it is written in a semi story driven format and contains operational dialogues between players in the field Notwithstanding its story driven approach The Path attempts to provide a business solution to one of the biggest social evils the skyrocketing cost of medicines It derives its content from the pharmaceutical industry to which every reader is a customer Like the great debate of global warming the book recognizes the growing tension between drug manufacturers on one hand and governments

regulators social media and patients on the other hand It places non availability of drugs at the center of discussion and pinpoints ineffective and inefficient way of doing business as a core problem to the conflict It shows how a high availability of drugs is achieved by dramatically improving operations of pharmaceutical organizations while lowering the cost From the industry domain point of view the book is unique because it moves the popular literature on organizational effectiveness beyond automotive and engineering centric industries By doing so it provides opportunity to professionals to relook into Operational Excellence from a very fundamental level and then build their own way of achieving quick and dramatic growth on an ongoing basis In fact no industry is untouched by the type of changes taking place due to the New Normal although at different and varying intensity The Path is therefore as much applicable to a well matured commodity business as it is to the one in the new product intensive Hi tech industry As a book The Path is also unique in the way it was created In fact it was co created by over 100 professionals online These professionals from different industries have provided insights from their years of experience in making organizations more effective And in doing so they have offered a direction to dramatically improving the way organizations need to operate in today s world
